

F13 – BASE PRICE PROPOSAL

Provide a fee proposal for an inspection at each of the listed manufacturing facilities for the five-year contract term. Include production line inspections as well as a detailed, final inspection prior to delivery of the buses. Pricing should be turn-key, inclusive of all labor, expenses and overhead costs. Quantities may change during the term of the contract and by fiscal year. Trinity Metro will determine the location of electric buses at a future date

MANUFACTURERS TO BE CONSIDERED FOR PRICING PER BUS	\$ Rate
1. Gillig (Buses)	
2. Newflyer	
3. New England Wheels	
4. Glaval	
5. Starcraft	

Location (Proposer to Fill In)	Price per Bus (Includes Pre-Award Buy America Audit, Bus Line Inspection Services and Post Delivery Buy America Audit Report)
