

**REQUEST FOR PROPOSAL (RFP)
Generators Project
RFP #26-T016**

The Fort Worth Transportation Authority operating as (“Trinity Metro”) outlines the following schedule:

RFP Release Date:	January 14, 2026
Proposal Submission Deadline:	February 12, 2026
REVIEW THE FULL SCHEDULE OF EVENTS IN SECTION 2	
DAVIS-BACON WAGE DETERMINATION:	TX20250026

Preamble:

The Fort Worth Transportation Authority, operating as Trinity Metro, is a regional transportation authority of the State of Texas, created pursuant to Chapter 452 of the Texas Transportation Code and confirmed by a public referendum on November 8, 1983. Trinity Metro provides public transportation services within the city limits of Fort Worth, Forest Hill, and River Oaks. Such services include fixed bus routes, mobility impaired transportation service (Paratransit services), carpool/vanpool services, ON-DEMAND and commuter rail (operating as TEXRail and Trinity Railway Express (TRE)). A one-half of one percent (\$.0050) sales tax is dedicated to supporting Trinity Metro’s public transportation program. Trinity Metro is also the recipient of Federal Transit Administration (FTA) capital grants and Texas Commission on Environmental Quality grants.

Trinity Metro is governed by an eleven-member Board of appointed officials. Eight Board members are appointed by the Fort Worth City Council and 3 Board members are appointed by the Tarrant County Commissioners Court, in accordance with Subchapter N., Sec. 452.562 (c) – (f) of the Transportation Code. The Board sets policy through standing and ad hoc committees, and establishes broad business goals and policies for management. The President & Chief Executive Officer reports to the Board, and is responsible for implementation of Board policies and day-to-day operations of Trinity Metro.

This Request for Proposal (RFP) neither creates nor implies any obligation on the part of the Trinity Metro to award a contract or to pay any costs incurred in the preparation or submittal of any Proposal.

Section 3 Instructions to Proposers

3.1 Downloading RFP and Submission of Proposals

RFP documents can be downloaded from Trinity Metro's website and the Proposals can be submitted electronically on Bonfire or in hard copy to the address listed below.

<https://www.procuretm.org/procurements>

A person or firm submitting a proposal in response to this RFP is a "Proposer." A Proposer who enters into a Contract under this RFP is referred to as "Contractor." Sealed proposals must be delivered by the date and time outlined in the Schedule of Events in Section 2. Proposers shall submit one original, one copy, and all of the required Proposal documents. All Proposal documents shall be in a sealed package, addressed as shown below, bearing the Proposer's name and address and clearly marked as follows:

Trinity Metro
Attn: PROCUREMENT
801 Grove Street
Fort Worth, TX 76102
RFP 26-T016 Generators Project

Proposers can also submit proposals electronically using the Trinity Metro electronic bidding portal, Bonfire, at:

<https://ridetm.bonfirehub.com/portal/?tab=openOpportunities>

All proposals, electronic or hard copy, must be submitted by the date stated in the schedule of events. It is the sole responsibility of the Proposer to ensure timely delivery of the proposal. Trinity Metro will not be responsible for failure of service on the part of the U.S. Post Office, courier services, electronic difficulties, or any other form of delivery service chosen by Respondent.

Proposals arriving late for any reason will not be accepted.

3.2 For uniformity, all Proposers must submit information in the order and format requested in this RFP. Failure to do so may cause the proposal to be deemed nonresponsive to the RFP. Information requested in the RFP that the Proposer deems privileged and confidential, may be submitted in a separate envelope marked "Privileged and Confidential Information." Trinity Metro will use its best efforts to protect such information from disclosure to the extent allowable by law. There will be no release of information until (a) the selection process is complete and a Contract has been executed or (b) Trinity Metro has formally terminated this procurement.

3.3 Exceptions to Any Portion of the Solicitation Requirements

All exceptions, conditions, and limitations (collectively, "exceptions") taken to or imposed on the terms and conditions of the RFP (including, without limitation, any of its attachments or other parts of the RFP) shall be clearly identified and submitted with Proposer's proposal. Each exception shall specifically reference each paragraph(s) and/or specific part(s) of the RFP to which the exception is taken.

Proposer shall provide rationale in support of the exception and fully explain its impact, if any, on its performance of or obligations under the procurement.

Proposers are cautioned to limit exceptions. In Trinity Metro's sole and absolute judgment, exceptions may be determined to be so fundamental as to cause rejection of the proposal for not responding to the requirements of the RFP.

All exceptions will be considered during the evaluation process. Exceptions made after Contract award may result in proposal being rejected.

3.4 Basis for Contract Negotiation

A contract, if any, awarded under this RFP is defined herein as "the Contract" or "this Contract." The terms, conditions, representations, warranties, and other provisions of this RFP will be incorporated into and will form the bulk of the Contract, except to the extent otherwise expressly confirmed in writing signed by Trinity Metro. Thus, this RFP and the Proposer's proposal shall be used as the basis for contract negotiation. The RFP does not commit Trinity Metro to procure or award any contract for the scope of work described herein.

3.5 Mandatory Pre-Proposal Meeting & Site Walkthrough

Attendance at the Pre-Proposal Meeting, as scheduled in Section 2: Schedule of Events, is mandatory. Failure to attend will result in disqualification of your proposal. During this meeting, Trinity Metro will provide an overview of the project, outline the qualification requirements and evaluation process, and address any questions arising from the review of the RFP. Immediately following the presentation, a Site Walkthrough will be conducted.

3.6 Rejection and Selection of Proposals; Modification of the RFP

1. Trinity Metro reserves the right to reject any or all proposals.
2. If a Contract is awarded, the selection of the proposal and Proposer shall conform to the requirements of applicable law and shall, in Trinity Metro's sole discretion, be in the best interests of Trinity Metro.
3. Trinity Metro reserves the right to:
 - a. Amend, modify, or withdraw this RFP;
 - b. Revise any requirements under this RFP;
 - c. Require supplemental statements of information from any Proposer;
 - d. Extend the deadline for submission of responses hereto;
 - e. Negotiate or hold discussions with any Proposer to correct insufficient responses that do not completely conform to the instructions contained herein;
 - f. Waive any nonconformity with this RFP;
 - g. Cancel, in whole or in part, this RFP if Trinity Metro deems it is in its best interest to do so;
 - h. Request additional information or clarification of information provided in the proposal without changing the terms of the RFP; and
 - i. Waive any portion of the selection process in order to accelerate the negotiation of a Contract with a Proposer that meets the requirements under applicable law and this RFP for an award.

Trinity Metro may exercise the foregoing rights at any time without notice and without liability to any Proposer or any other party for expenses incurred in the preparation of proposals or otherwise. Proposals will be prepared at the sole cost and expense of the Proposer.

4. Nothing stated at any time, by any representative of Trinity Metro, will effect a change in, or constitute an addition to, this RFP unless confirmed in writing through an Addenda issued by Trinity Metro to this RFP.
5. The Proposer agrees to keep confidential its response and any information received from Trinity Metro.
6. All information submitted in response to the RFP shall become the property of Trinity Metro, and as such, may be subject to public review as public records.
7. Proposer acknowledges and agrees that Trinity Metro will not be liable for any costs, expenses, losses, damages (including damages for loss of anticipated profit), or liabilities incurred by the Proposer or any member thereof as a result of, or arising out of its submitting a proposal, negotiating changes to such proposal, or Trinity Metro's acceptance or non-acceptance of the proposal.
8. Trinity Metro shall control the release of all public information concerning the procurement under this RFP, including selection announcements and Contract awards. Those desiring to release information to the public must receive prior written approval from an authorized representative of Trinity Metro.
9. Neither Trinity Metro nor any of its officers, agents, consultants, or employees shall be responsible for the accuracy of any information provided as part of this RFP (including appendices). All Proposers are encouraged to independently verify the accuracy of any information provided. The use of this information in the preparation of a proposal is at the sole risk of the Proposer.
10. The Proposer shall not collude in any manner or engage in any practices with any other Proposer(s), which may restrict or eliminate competition or otherwise restrain trade. Violation of this instruction will cause Trinity Metro to reject the Proposer's submittal. This prohibition is not intended to preclude joint ventures or subcontracts.
11. All proposals must be the original work product of the Proposer. The copying, paraphrasing, or other use of substantial portions of the work product of another Proposer is not permitted. Failure to adhere to this instruction will cause Trinity Metro to reject the proposal. The successful Proposer will be required to enter into Contract by signature on separate Contract documents, which will be prepared by Trinity Metro from information in the RFP and the successful Proposer's proposal.
12. In accordance with Article 8-103 of Trinity Metro's Procurement Policy, "All protests relating to advertising of solicitation notices, alleged improprieties or ambiguities in solicitation documents, deadlines, bid openings or awards, and all other solicitation, bid or award-related procedures or actions must be made in writing and submitted to the

President/CEO, or designee, within ten (10) business days of (1) the bid opening for a construction contract or (2) date of award for other types of contracts.”

3.7 Response to Communications and Request for Clarification

It is the responsibility of the proposer to examine the entire RFP package and seek clarification of any scope of work, specification item, requirement, or any other matter that it finds unclear. Furthermore, the Proposer must check the proposal for accuracy before submission. All requests for clarifications or changes shall be submitted in writing in time to be received in accordance with the Schedule of Events outlined in Section 2.

Trinity Metro will not respond to oral requests. Only written requests for questions and/or clarifications, will be acceptable (email and/or email attachments will be accepted). All questions and/or clarifications requests shall be sent to the attention as identified below. Only written responses from Trinity Metro in the form of addenda to this RFP shall be official, and all other forms of communication with any officer, employee or agent of Trinity Metro shall not be binding.

All questions and/or clarifications and/or request for a change to any of the specifications shall be fully supported with technical data, test results, or other pertinent information evidencing that the exception will result in a condition equal to or better than that required by the RFP, without substantial increase in cost or time requirements. Any responses to such written requests shall be provided by Trinity Metro in the form of an addendum.

All questions or request for clarifications regarding the services required shall be submitted in writing and/or email (no phone inquiries will be accepted) and addressed to:

Sonya Harris, Contracts and Regulatory Compliance Administrator
Trinity Metro
801 Grove Street
Fort Worth, Texas 76102
E-mail: contractmgmt@ridetm.org

Proposers shall not contact members of the Evaluation Committee or Board of Directors concerning this RFP. Any proposers violating this provision may be disqualified from consideration in this RFP.

3.8 Addenda and Attachments to RFP

This RFP has been posted on Trinity Metro’s website and Trinity Metro’s electronic bidding portal, Bonfire, for your convenience. Any attachments, addendums, clarifications or further instructions to Proposers, whether as a result of questions raised by Proposers or matters initiated by Trinity Metro will also be posted when issued. It is the Proposer’s responsibility to ensure that the entire RFP package, in its latest version, is reviewed prior to submittal of a proposal.

3.9 Contract Award

Trinity Metro reserves the right for any reason or no stated reason to postpone, accept, or reject any and/or all proposals, to waive any irregularities in proposals received, and award

the Contract(s) in accordance with applicable law and this RFP. Trinity Metro reserves the right to make multiple awards.

Trinity Metro shall consider all elements entering into the determination of the responsiveness of the proposal and the responsibility of the Proposer. Any proposal which is incomplete, conditional, obscure, or which contains additions not called for or irregularities of any kind, may be cause for rejection of the Proposal.

The Contract may be awarded within 90 calendar days from the date upon which proposals were received or such other date as is specified in the Schedule of Events above in this RFP. No award shall be made for a proposal Trinity Metro determines to be non-responsive or to a Proposer Trinity Metro determines to be not responsible.

If a single proposal is received, Trinity Metro will conduct a price and/or cost analysis of the proposal. A price analysis is the process of examining and evaluating a price submitted without examining in detail the separate cost elements and the profit included in the cost proposal. A price analysis through comparison to other similar procurements shall be based upon an established or competitive price of the elements used in the comparison. The comparison shall be made to a purchase of similar quantity and involving similar specifications. Where a difference exists, a detailed analysis shall be made of this difference and costs associated thereto. Trinity Metro has the right to enter into a negotiated procurement should only a single proposal be received.

Where it is impossible to obtain a valid price analysis, it may be necessary for Trinity Metro to conduct a cost analysis of the proposal price.

3.10 Disadvantaged Business Enterprise Requirements

Trinity Metro has a policy to involve Disadvantaged Business Enterprises (DBEs) to the maximum extent feasible in all phases of its procurement practices. DBE firms are encouraged to respond to this RFP, and joint ventures with DBE firms are also encouraged. Trinity Metro can provide assistance in the identification of DBE firms.

3.11 Non-Collusion Affidavit

Proposer shall submit, with its proposal, an affidavit stating that neither Proposer nor its agents, nor any other party on its behalf, has paid or agreed to pay, directly or indirectly, any person, firm, or corporation, any money or valuable consideration for assistance in procuring or attempting to procure the Contract that may result from this RFP, and further agrees that no such money or consideration will be hereafter paid. This affidavit shall be on the form provided by Trinity Metro, which is made a part of this RFP.

3.12 Proposer's Texas Government Code Certifications

Pursuant to the provisions of the Texas Government Code cited below, Proposer represents, warrants, and affirms the following, and Proposer covenants that if circumstances relevant to any of the following change during the term of a contract that may be awarded to Proposer under this RFP, Proposer will promptly notify Trinity Metro of such change.

1. **Sec. 2252.152.** Proposer is not engaged in business with Iran, Sudan, or a foreign terrorist organization, as prohibited by Section 2252.152 of the Texas Government

Code, and Proposer is not identified on the list created by the Texas Comptroller of Public Accounts as a company known to have contracts with or provide supplies or services to Iran, Sudan, or a foreign terrorist organization.

2. **Sec. 2271.002.** Either (a) Proposer does not and will not for the duration of the Contract boycott Israel or (b) the verification required by Section 2271.002 of the Texas Government Code does not apply to this procurement.
3. **Chapter 2274.** Either (a) Proposer does not and will not for the duration of the Contract, have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association or (b) the verification required by Section 2274.002 of the Texas Government Code does not apply to this procurement.
4. **Section 2276.002.** Either (a) Proposer does not and will not for the duration of the Contract boycott energy companies or (b) the verification required by Section 2276.002 of the Texas Government Code does not apply to this Agreement.
5. **Section 2252.908** If Section 2252.908 of the Texas Government Code applies to this procurement, and if Proposer is awarded a Contract, Proposer will submit to Trinity Metro a Certificate of Interested Parties (Form 1295) before the execution of the Contract. Refer to the information at the Texas Ethics Commission's website for instructions on registering and completing Form 1295.

3.13 Force Majeure

1. **Definition:** An Event of Force Majeure is defined as acts of God; earthquake, unusually severe weather, flood and any other natural disaster; civil disturbance, strikes and labor disputes; fires and explosions; war and other hostilities; embargo; or failure of third parties, including suppliers or subcontractors, to perform their obligations to the Contractor due to a force majeure event described above.
2. Economic hardship, changes in market conditions, or insufficient funds do not constitute an Event of Force Majeure, and an Event of Force Majeure does not excuse an obligation to make a payment required under this Contract.
3. If Contractor cannot perform some of its obligations due to an Event of Force Majeure, it must nevertheless continuously and diligently carry out and complete all of its obligations not prevented by the Event of Force Majeure.
4. **Notice of Delay.** If Contractor is delayed in the performance of the Services due to an Event of Force Majeure or otherwise, Contractor must in a prompt manner upon receiving knowledge of such delay give written notice thereof to Trinity Metro and furnish Trinity Metro information concerning the cause of the delay and its approximate anticipated length and demonstrating, if applicable, that the delay is due to an Event of Force Majeure.
5. **Sole Relief.** If an Event of Force Majeure occurs, provided Contractor has complied with all applicable notice requirements regarding a request for relief under this

section, Contractor is excused from performance of its obligations under this Contract, but only for the time and to the extent that such performance is actually prevented by the Event of Force Majeure. When Contractor is able to resume performance of its obligations, it shall immediately give Trinity Metro written notice to that effect and promptly resume performance under this Contract. The relief offered by this Force Majeure provision is the exclusive remedy available to Contractor with respect to an Event of Force Majeure, and no claim for damages shall be made by either party for delays resulting from an Event of Force Majeure.

6. Continuing Delays. Trinity Metro may terminate this Contract if: (a) Contractor's failure to perform under this Contract due to an Event of Force Majeure impairs the material benefits of this Contract to Trinity Metro; and (b) Contractor does not resume performance in accordance with this Contract within ten (10) business days following Trinity Metro's giving notice to Contractor of Trinity Metro's intent to terminate this Contract.

3.14. Buy America Compliance

The contractor agrees to comply with 49 U.S.C. 5323(j) and 49 C.F.R. part 661, which provide that Federal funds may not be obligated unless all steel, iron, and manufactured products used in FTA funded projects are produced in the United States, unless a waiver has been granted by FTA or the product is subject to a general waiver. General waivers are listed in 49 C.F.R. § 661.7.

The proposer must submit to Trinity Metro the appropriate Buy America certification with its Proposal. Proposals that are not accompanied by a completed Buy America certification will be rejected as nonresponsive.

Buy America requirements flow down Trinity Metro to Contractors, who are responsible for ensuring that lower tier contractors and subcontractors are in compliance.

3.15 Bonds

Proposal bonds/Proposal Guarantee is five percent (5%) of the Price Proposal and shall be included with the Proposal package on the required day and time as described in Section 2 Schedule of Events. Performance and Payment bonds shall be submitted upon award of the contract and shall be free and clear of any encumbrances and submitted within ten days of receipt of the contract for signature.

Performance Bond (100%) and Payment Bond (100%) will be required upon contract execution.

Section 4 Evaluation Criteria

Proposals will be evaluated by a selection committee of individuals from TRINITY METRO and other departments. TRINITY METRO intends to evaluate the proposals generally in accordance with the criteria listed below. TRINITY METRO may invite proposers to make a presentation and be interviewed by the committee as part of the selection process.

Contractors' qualifications shall be evaluated using the following criteria:

Section 5 Scope of Work

Project Title: Trinity Metro – HRP Facility Generator Project

Purpose

The purpose of this solicitation is to procure a qualified contractor to provide comprehensive services for the procurement, delivery, installation, and commissioning of a permanent diesel-powered standby generator at the Trinity Metro HRP Facility. The installed generator will serve as an emergency backup power source, ensuring the continuous operation of critical building systems and communication equipment in the event of a power disruption. The selected contractor will manage all associated site preparation, electrical integration, permitting, inspections, and project closeout requirements in compliance with applicable codes and standards.

This project is being completed in accordance with the technical specifications titled "**Trinity Metro – 801 Grove Street Building Generator & HRP Facility Generator Replacement**", dated **July 25, 2024**, prepared by Freese and Nichols, Inc. Contractors must review and reference all applicable sections of the specifications when preparing their proposal, including but not limited to:

- Division 03: Cast-in-Place Concrete (Section 03 30 00.01)
- Division 26: Electrical and Generator Requirements (Sections 26 05 00 through 26 36 00)
- Division 31: Earthwork (Section 31 23 10)
- Division 32: Fencing and Exterior Improvements (Section 32 31 19)

Scope of Work

A. Site Preparation and General Construction

- Conduct preliminary site assessment and marking of all utility locations.
- Perform removal of existing vegetation, debris, and minor structures as required.
- Prepare site including grading, compaction, and stabilization to ensure proper drainage and firm foundation for the generator pad.
- Construct concrete pad per generator manufacturer's specifications and Section 03 30 00.01 of the technical specs, including reinforcement, dimensions, and thickness for generator support.
- Provide necessary erosion and sediment control measures throughout construction in accordance with local codes and the project specifications.
- Implement spill containment and disposal procedures in compliance with environmental regulations.

B. Generator Procurement and Installation

Contractor shall procure, deliver, and install two-diesel standby generator system meeting or exceeding the following specifications:

- **Rating:** Minimum 150kW standby power, 3-phase, 480V, 60Hz
- **Fuel System:** Integral diesel fuel tank with minimum 24-hour runtime capacity at full load; fuel level monitoring system required

- **Enclosure:** Factory-assembled, weatherproof, corrosion-resistant enclosure meeting sound attenuation requirements of maximum 75 dB at 23 feet
- **Cooling and Exhaust:** Radiator-cooled engine, critical-grade muffler, and vibration isolators
- **Battery Charger:** Automatic battery charger and battery warmer
- **Engine Starting System:** 12-volt electric start with auto-start capabilities
- **Controls:** Programmable digital control panel for automatic operation, diagnostics, testing, load management, and alarm annunciation
- **Transfer Switch:** Automatic Transfer Switch (ATS) rated at generator output, NEMA 3R enclosure, service entrance rated, UL 1008 listed
- **Safety and Compliance:** System must comply with UL2200, NFPA 110 Level 1 standards, and local/state electrical codes
- **Warranty:** Minimum 2-year full warranty for generator and associated equipment
- **Documentation:** Provide comprehensive Operation & Maintenance (O&M) manuals, startup commissioning report, and warranty certificates
- **Submittal Requirements:** Submit all product data, shop drawings, and certifications for approval prior to installation

All equipment and installation procedures must comply with specifications provided in Division 26 of the July 25, 2024 technical specification set.

C. Electrical Integration

- Provide all necessary conduit, wiring, connections, and labeling to connect generator and ATS to existing facility power infrastructure.
- Coordinate all electrical shutdowns, tie-ins, and connections with Trinity Metro operations and local utility (e.g., Oncor).
- Provide grounding and bonding per NEC Article 250 and applicable local codes.
- Conduct load bank testing and full-system commissioning in the presence of Trinity Metro personnel and provide written results and certifications.
- Include utility coordination documentation with permitting and inspection requirements.

D. Permitting, Coordination, and Close-Out

- Secure all required permits and approvals from local jurisdictions and utility providers.
- Schedule and conduct required inspections.
- Ensure site cleanup, debris removal, and final site restoration including topsoil placement and grass seeding in disturbed areas.
- Submit comprehensive project documentation including final as-built drawings, equipment manuals, warranty documents, and maintenance recommendations.
- Conduct a pre-construction kickoff meeting with Trinity Metro and third-party inspectors if applicable.
- Hold weekly progress meetings with the Owner's representative to report on schedule, issues, and coordination.

Specifications

- Demolition and site clearing per local code and Division 31 standards
- Removal of generators into a specified location on Trinity Metro property in order to comply with Procurement Rules and regulations.
- Concrete pad construction per Division 03 specifications
- Procurement and commissioning of standby diesel generator system per Division 26 specs
- Installation and connection of electrical infrastructure including conduit, ATS, and labeling
- Utility coordination, permitting, and inspections
- Installation of metal fencing and gates per Division 32 requirements
- Site restoration and erosion control
- Project documentation and training
- Environmental protection and spill prevention measures

Workmanship and Warranty

All work shall adhere to industry standards, manufacturer guidelines, and applicable local, state, and federal regulations. Contractor shall provide a minimum one-year warranty covering all labor, installation services, and workmanship from the date of final acceptance. Equipment and materials shall carry the manufacturer's standard warranties, clearly outlined in submitted documentation. Final acceptance shall include completed commissioning and signed off inspection documentation. Liquidated damages may apply for failure to complete work within the contractual timeline.

Proposal Expectations

- Completed Labor Bid Chart.
- Technical narrative detailing approach, timeline, equipment procurement, and resource allocation.
- Manufacturer specifications and cut-sheets for proposed generator and related equipment.
- Reference information for three comparable projects completed within the past five years.
- Submittal of a detailed project schedule within 10 days of Notice to Proceed.
- Signed acknowledgment of receipt and understanding of referenced technical specification document.

Temporary Electrical Service

The contractor shall be responsible for coordinating project construction phasing with the owner, to minimize impact on owner's day to day operations at the facility. The contractor shall include in his bid a line item for temporary power to maintain facility operation during all phases of construction. The contractor shall coordinate with the owner locations for any required temporary generator(s) and associated gear and cabling prior to installation on site. The contractor shall be responsible for fuel for temporary generators during operation. As part of project completion, the contractor shall restore all surfaces and landscaping to present condition, or better, after the removal of any temporary generators and associated temporary equipment.

Additional Notes

- Mandatory site walkthrough at the Pre-Proposal Meeting and a mandatory final Walkthrough coordinated through Trinity Metro Project Management.
- Contractor to provide crane and lifting equipment for generator placement.
- Contractor is responsible for maintaining a safe and secure jobsite per OSHA standards throughout the duration of the project.
- Contractor must maintain a superintendent or project manager on-site or on-call during all active construction periods.

Section 6 Special Provisions

6.1 Contract Award

This will be a Fixed-Price Contract. The contract period will be for two (2) years. Delivery and performance shall be made only as authorized after funding appropriations and program approval have been granted by Trinity Metro's Board of Directors. If the Contract is for a term of more than one (1) year, and if necessary funding appropriation/program approval is not granted, the Contract will be canceled for all unfunded or unapproved periods.

6.2 Expenses & Invoicing

Contractor shall submit monthly invoices for Services delivered, completed and accepted, via email to Trinity Metro's Accounts Payable department at accountspayable@ridetm.org and copy the Department Representative listed under Notices in the contract. The invoice will consist of the contract number, purchase order number, line item number, item description, quantity, units, unit price, and total line item amount. Each invoice shall also include supporting documentation for all eligible expenditures.

Upon award of contract, you will be required to submit monthly compliance audits for the purpose of Disadvantaged Business Enterprise (DBE) utilization tracking. You will be contacted by the DBE Administrator and issued an initial log-in with instructions on how to comply with this requirement.

Approved invoices amounts will be paid net 30 days from the invoice date. Invoice payments will be made either by check or via Electronic Funds Transfer (EFT) to Contractor's designated banking institution. EFT payments are Trinity Metro's desired method of payment. Appropriate Vendor and EFT forms will be provided to Contractor at time of execution of this agreement.

6.3 Selection Procedure

1. Proposals received after date and time specified in Section 2 are not eligible and shall not be considered for award of the Contract.
2. An Evaluation Committee shall evaluate each proposal that was submitted on time and the evaluation shall be based on the criteria listed Section 4. The sum total points scored on both qualifications and price will be considered in award of a contract. Following this initial evaluation, the Evaluation Committee may make a recommendation to the Board of Director(s) concerning award of contract without further discussion with Proposers. The top-rated Proposers may be asked to make an oral presentation to the evaluation team for the purpose of further clarification and evaluation of their proposals.
3. Oral presentations, if required, shall be conducted to solicit information to enable the Evaluation Committee to evaluate the capability of the applicable Proposer regarding the desired goods and/or services. If Trinity Metro notifies a Proposer that an oral presentation is required, Trinity Metro shall inform the Proposer of the schedule, order and procedure for the presentation, including its content, time limits, identity of the presenters, and use of handouts and visual aids. Trinity Metro may tape record and/or videotape any presentation.

4. If demonstrations are scheduled, the representatives of the Proposer and of its pertinent necessary proposed subcontractors or subconsultants shall be present at the demonstration. During the demonstration, the Evaluation Committee may advise the Proposer of deficiencies in the process and shall allow the Proposer to satisfy the requirements, questions, or concerns by submitting an amended final proposal. The Proposer may decide not to modify its proposal and may inform the Evaluation Committee that the proposal is firm and final.
5. Notwithstanding the foregoing, Trinity Metro at its sole option may elect to forego demonstration presentations. Consequently, all proposals shall be comprehensive and clear. No Proposer shall rely upon the opportunity to present additional or clarifying information at a later time.
6. The Evaluation Committee shall not disclose any information included in a proposing firm's Proposal Documentation to another firm, and shall not disclose any information for the purpose of bringing one firm's Proposal Documentation up to that of a competitor's Proposal Documentation.
7. If amended final proposals are accepted, the Evaluation Committee shall reevaluate each of the final proposals, including those deemed final at a demonstration, if any. Final proposals shall be evaluated on the same criteria used in the first evaluation.
8. The Evaluation Committee may recommend the top ranked Proposer to the Board of Director(s), who shall make the final selection.
9. Award of contract shall be made to the responsive, responsible Proposer whose proposal is determined to provide the best value to Trinity Metro based on the evaluation criteria set forth in Section 4.

6.4 Open Records

All proposals become the property of Trinity Metro and are subject to the Texas Public Information Act (PIA). Proposers must familiarize themselves with the provisions of the PIA. In no event shall Trinity Metro, or any of its agents, representatives, proposers, directors, officers, or employees be liable to a Proposer for the disclosure of all or any portion of a proposal. If Trinity Metro receives a request for public disclosure of all or any portion of a proposal, Trinity Metro will endeavor to notify the Proposer of the request. If a Proposer has special concerns about information which it desires to make available to Trinity Metro but which it believes constitutes a trade secret, proprietary information or other information excepted from disclosure, it shall identify those portions of its proposal by clearly and prominently marking it "**CONFIDENTIAL.**" The basis of the claim of confidentiality shall be stated in the proposal adjacent to the marked information. Blanket statements regarding the confidentiality of information may not be sufficient to protect the confidentiality of information submitted. A Proposer is encouraged to seek counsel regarding any information it seeks to keep confidential.

In no event shall any of Trinity Metro's directors, employees, administrator, consultants, or agents be liable for the disclosure of any materials or information submitted in a Proposal.

6.5 Proposer's Acknowledgement

By submitting a proposal, the Proposer unequivocally acknowledges that the Proposer has read and fully understands this RFP, and that the Proposer has asked questions and received satisfactory answers from Trinity Metro regarding any provisions of this RFP with regard to which the Proposer desires clarification.

6.6 Incorporation of Proposer's Proposal

1. Trinity Metro reserves the right to incorporate all or portions of the successful Proposer's proposal including any revisions and supplements into the Contract by reference or in full.
2. If, after Contract award, it is discovered that changes were agreed to in writing during negotiations, but were not incorporated into the resulting Contract, such changes shall be considered administrative in nature and incorporated by unilateral modification at no change in the Contract cost or price, or other terms and conditions. To satisfy the contract requirements, Proposer shall adhere to the price and other terms accepted by Trinity Metro.
3. Notwithstanding the foregoing, no portions of the proposal that conflict with, limit, impair, or otherwise diminish the benefits afforded to Trinity Metro under this RFP shall be deemed incorporated into the Contract only if such provisions are expressly approved by Trinity Metro in writing.

6.7. Insurance Requirements

The Contractor shall, at all times during the term of this Contract and extended terms thereof, provide and maintain the following types of insurance protecting the interests of Trinity Metro and the Contractor with limits of liability not less than those specified below.

1. **Comprehensive Automobile Liability** insurance or its equivalent, covering all owned, hired and non-owned vehicles used in connection with the work performed under this contract with combined single limits for bodily injury and property damage liability of not less than \$1,000,000.
2. **Commercial General Liability** insurance or its equivalent, providing limits of not less than \$2,000,000 for bodily injury and property damage per occurrence with a general aggregate of \$2,000,000 and a product and completed operations aggregate of \$2,000,000. There shall not be any policy exclusions or limitations for the following:
 - Contractual Liability covering Contractor's obligations herein
 - Personal Injury Advertising Liability
 - Explosion, Collapse & Underground Property Damage Hazard
 - Medical Payments
 - Fire Damage Legal Liability

- Broad Form Property Damage
 - Liability for Independent Contractors
3. **Workers' Compensation Insurance** or its equivalent, providing benefits comparable to those provided under the Workers' Compensation Act of the State of Texas and/or any other State or Federal law or laws applicable to the Contractor's employees performing work under this contract. Employer's Liability Insurance with limits of liability of not less than \$1,000,000 each accident, \$1,000,000 each employee for disease and \$1,000,000 policy limit for disease. This insurance shall be endorsed with a Waiver of Subrogation Endorsement, waiving the carrier's right of recovery under subrogation or otherwise from Trinity Metro.
 4. **Certificates of Insurance** - Before commencing execution of this contract, the Contractor shall mail Certificates of Insurance satisfactory to Trinity Metro (or, as and when Trinity Metro may direct, copies of the policies endorsements or actual insurance policies) at the address in Section 3 evidencing that insurance as required by paragraph (a), and all subparagraphs to (a) above, is in force, stating policy number dates of expiration and limits of liability thereunder. All copies of policies and Certificates of Insurance submitted to Trinity Metro shall be in form and content acceptable to Trinity Metro.
 5. **Approval of Forms and Companies** - All coverage described in this contract shall be in a form and content satisfactory to the Contracting Officer. No party subject to the provisions of this contract shall violate or knowingly permit to be violated any of the provisions of the policies of insurance described herein. All insurance shall be provided by insurance companies with a Best's Rating of A- or better.
 6. **Additional Insured Endorsement** - The policy or policies providing Commercial General Liability, Automobile Liability, and as otherwise required above shall be endorsed to name Fort Worth Transportation Authority, their directors, officers, representatives, agents and employees as Additional Insured as respect to operations performed by or on behalf of the Contractor in performance of this contract. The policy shall also be endorsed to name other interests as directed by Trinity Metro. The policies shall be primary and non-contributory.
 7. **Notice of Cancellation or Material Changes** - Policies and/or Certificates shall specifically provide that a thirty (30) day notice of cancellation, non-renewal, or material change be sent to Trinity Metro.
 8. **Multiple Policies** - The limits of liability as required above may be provided by a single policy of insurance or a combination of primary, excess or umbrella liability policies. But in no event shall the total limit of liability of any one occurrence or accident be less than the amount shown above.
 9. **Deductibles** - Companies issuing the insurance policies and the Contractor shall have no recourse against Trinity Metro for payment of any premiums or assessments for any deductibles, as all such premiums and deductibles are the

sole responsibility and risk of the Contractor.

10. **Subcontractors** - If any part of the work is sublet, Contractor shall require any and all subcontractors performing work under this contract to carry workers' compensation insurance, in accordance with paragraph (a) above. The Contractor shall determine any other types of insurance and the limits of liability that Contractor shall deem appropriate and adequate to protect the interests of Trinity Metro. In the event a subcontractor is unable to furnish any insurance required under this Contract, the Contractor shall endorse the subcontractor as an Additional Insured or become an Alternate Employer. The Contractor shall obtain and furnish to Trinity Metro certificates of Insurance evidencing subcontractors' workers' compensation insurance coverage. If a subcontractor's certificate of Workers' compensation insurance expires during the period of performance, Contractor shall obtain a renewal certificate. All certificates of workers' compensation insurance shall be maintained by the Contractor for a period of not less than 1 year. All other insurance certificates for subcontractors shall be furnished to Trinity Metro upon request.
11. **No Release** - The carrying of the above-described coverage shall in no way be interpreted as relieving the Contractor of any other responsibility or liability under this agreement or any applicable law, statute, regulation or order.

6.8 Interest of Members of Trinity Metro

No member of the governing body of Trinity Metro, other officer, employee or agent of Trinity Metro who exercises any functions or responsibilities in connection with the carrying out of the activities to which this Contract pertains, shall have any personal interest, direct or indirect, in this Contract.

6.9 Interest of Other Local Public Officials and State Officials

No person who exercises any functions or responsibilities in the review or approval of the carrying out of activities to which this Contract pertains, shall have any personal interest, direct or indirect, in this Contract. No part of the proceeds shall be paid directly or indirectly to any officer or employee of the State of Texas as wages, compensation or gifts in exchange for acting as officer, agent, employee, subcontractor, or Proposer to Trinity Metro in connection with any work contemplated or performed relative to this Contract.

6.10 Interest of Members, Or Delegates to Congress

In accordance with 18 U.S.C. Section 431, no member of, or delegate to, the Congress of the United States shall be admitted to any share or part of this Contract, or to any benefit arising there from.

6.11 Interest of the Proposer

The Proposer represents, warrants, and covenants that it presently has no interest and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of services required to be performed under this Contract. The Proposer further covenants that no person having such interest shall be employed in the performance of this Contract.

6.12 Authority to Enter Contract

The Proposer has all requisite power and authority to conduct its business and to execute, deliver, and perform services specified in the RFP and any Contract that may be issued. The Proposer warrants that the individuals who have signed the Proposal have the legal right and authority to bind the Proposer.

6.13 Authorization of Proposal

If the Proposal is made by an individual doing business under an assumed name, the Proposal shall so state. If the Proposal is made by a partnership, the full name and addresses of each member and the address of the partnership shall be given and the Proposal shall be signed by one member thereof. If the Proposal is made by a corporation, it shall be signed in the corporate name by an authorized officer. If the Proposal is made by a joint venture, the full name and address of each member of the joint venture shall be given and the Proposal shall be signed by each venture. Form(s) is included to be filled out and submitted with Proposal.

6.14 Subcontract Approval

Proposer shall include in all subcontracts and supply contracts for services or materials under the Contract a provision making the subcontractor(s) subject to all provisions stipulated in the Contract. The Proposer shall be fully responsible for all services performed and materials supplied by any subcontractor or supplier.

6.15 Cost/Price Analysis

Trinity Metro reserves the right to conduct a cost or price analysis for any purchase or service. Trinity Metro may be required to perform a cost/price analysis when competition is lacking for any purchase. Sole source procurements or procurements which result in a single proposal received, will be subject to a cost/price analysis, which will include the appropriate verification of cost data, the evaluation of specific elements of costs and the projection of the data to determine the effect on proposal prices. Trinity Metro may require a pre-award audit, and potential Proposers shall be prepared to submit data relevant to the proposed work which will allow Trinity Metro to sufficiently determine that the proposed price is fair, reasonable, and in accordance with Federal, State, and local regulations. Procurements resulting in a single proposal will be treated as a negotiated procurement and Trinity Metro reserves the right to negotiate with the single Proposer to achieve a fair and reasonable price. If both parties cannot agree upon a negotiated price, Trinity Metro reserves the right to reject the single proposal.

All Contract change orders or modifications will be subject to a cost analysis.

6.16 Pricing

The price quoted in any proposal submitted shall include all necessary cost to complete the services in accordance with the specifications. Anything omitted from such specifications, which are clearly necessary, shall be considered a portion of such cost although not directly specified or called for in the specifications. Proposer shall note discounts.

6.17 Prompt Payment

The Proposer agrees to pay each subcontractor for satisfactory performance of its contract no later than 30 days from receipt of each payment the Proposer receives from Trinity

Metro. Any delay or postponement of payment from the above reference may occur only for good cause following written approval of Trinity Metro. This clause applies to both DBE and non-DBE subcontractors. If the Proposer determines the work to be unsatisfactory, it shall notify Trinity Metro immediately, in writing, and state the reasons. Failure to comply with this requirement would be construed to be a breach of contract and subject to contract termination.

6.18 Additional Services Request

Trinity Metro reserves the right to request services under this RFP that may not be specifically identified within the Scope ("Additional Services"). Proposers are encouraged to identify and provide supporting statements and price information for any other area(s) of services not listed in the Scope that may be related to Additional Services and the work of Trinity Metro.

6.19 RFP/Proposed Contract Alterations

No alterations or variables in the terms of the RFP and /or of the Proposed Contract shall be valid or binding upon Trinity Metro unless authorized in writing by Trinity Metro.

6.20 Assignability

Any public agency (i.e., city, district, public agency, municipality, and other political subdivision or any FTA-funded entity) shall have the option of participating in any award made as a result of a Proposal and/or contract at the same prices, terms and conditions as contained in the Contract. Trinity Metro reserves the right to assign any or all portions of goods or services awarded under this RFP and/or Contract. This assignment, should it occur, shall be agreed to by Trinity Metro and Proposer. Once assigned, each agency will enter into its own contract and be solely responsible to the Proposer for obligations to the service assigned. Trinity Metro's right of assignment will remain in force over the contract period or until completion of the contract including options, whichever occurs first. Trinity Metro shall incur no financial responsibility in connection with contracts issued by another public agency. The public agency shall accept sole responsibility for placing service and payments to the Proposer.

6.21 Publication and Media Restrictions

The Contractor shall not publish or reproduce subject data in whole or in part, or in any manner or form, without the advance written consent of Trinity Metro, unless Trinity Metro has released or approved the release of that data to the public.

6.22 Gratuities and Kickbacks

It shall be a breach of ethical standards for any person to offer, give or agree to give any employee or former employee, or for any employee or former employee to solicit, demand, accept or agree to accept from another person, a gratuity or an offer of employment in connection with any decision, approval, disapproval, recommendation, preparation of any part of a program requirement or a purchase request, influencing the content of any specification or procurement standard, rendering of advice, investigation, auditing or in any other advisory capacity in any proceeding or application, request for ruling, determination, claim or controversy or other particular matter, pertaining to any program requirement of a contract or subcontract or to any solicitation or proposal therefore. It shall be a breach of ethical standards for any payment, gratuity or offer of employment to be made by or on behalf of a subcontractor under a contract to the prime contractor or

higher tier subcontractor or a person associated therewith, as an inducement for the award of a subcontract or order. Breach of the provisions of this paragraph is, in addition to a breach of this contract, a breach of ethical standards which may result in civil or criminal sanction and/or debarment or suspension from being a contractor or subcontractor under Trinity Metro contracts.

6.23 No Contingency Fees

Contractor hereby represents that Contractor has not been retained or retained any persons to solicit or secure this Contract upon an agreement or understanding for a contingent commission, percentage, or brokerage fee, except for retention of bona fide employees or bona fide established commercial selling agencies for the purpose of securing business. Breach of the provisions of this paragraph is, in addition to a breach of this contract, a breach of ethical standards which may result in civil or criminal sanction and/or debarment or suspension from being a contract or subcontractor under Trinity Metro contracts. Trinity Metro shall have the right to annul said Contract without liability or, in its discretion, to deduct from the Contract price or consideration the full amount of such commission, percentage, brokerage or contingent fee.

6.24 Non-Discrimination

It is the policy of Trinity Metro not to discriminate on the basis of age, race, sex, color, national origin, creed, religion or disability in its hiring and employment practices, or in admission to, access to, or operation of its programs, services, and activities. With regard to all aspects of this contract, Contractor certifies and warrants it will comply with this policy. No person shall be excluded from participation in, be denied benefits of, be discriminated against in the admission or access to, or be discriminated against in treatment or employment in Trinity Metro contracted programs or activities, on the grounds of handicap and/or disability, age, race, color, religion, creed, sex, national origin, or any other classification protected by federal or Texas State Constitutional or statutory law; nor shall they be excluded from participation in, be denied benefits of, or be otherwise subjected to discrimination in the performance of contracts with Trinity Metro or in the employment practices of Trinity Metro's Contractors. Accordingly, all Proposers entering into contracts with Trinity Metro shall, upon request, be required to show proof of such nondiscrimination and to post in conspicuous places that are available to all employees and applicants, notices of nondiscrimination.

6.25 Licensing and Permits

The Contractor and all subcontractors shall be appropriately licensed in the State of Texas for the work required as a result of the Contract. The cost for any required licenses shall be the responsibility of the Contractor.

6.26 Standard of Care

Contractor shall perform all services under this Contract in a skillful and competent manner. Contractor represents and maintains that it is skilled in the professional calling necessary to perform the services. Contractor warrants that all employees and subcontractors shall have sufficient skill and experience to perform the services assigned to them. The Contractor represents that it, its employees and subcontractors have all licenses, permits, qualifications and approvals of whatever nature that are legally required to perform the services, and that such licenses and approvals shall be maintained throughout the term of this Contract. Any person who is determined by Trinity Metro to be

uncooperative, incompetent, a threat to the adequate or timely completion of the services, a threat to the safety of persons or property, or any employee who fails or refuses to perform the services in a manner acceptable to Trinity Metro shall be promptly removed by the Contractor and shall not be re-employed to perform any of the services under this Contract.

6.27 Right to Employ Other Contractors

Trinity Metro reserves the right to purchase goods and/or services, with other Contractors in connection with these Services.

6.28 Contract Amendments/Modifications/Change Orders

No changes to this RFP, Proposer's proposal, or the Contract shall be approved unless appropriate parties of Trinity Metro authorize the change. All changes shall be made by executed written agreement between the parties.

Trinity Metro shall not incur any costs due to any unauthorized changes made by Contractor.

6.29 Tax Exemption

Trinity Metro is exempt under this solicitation from all Federal, State, municipal and local taxation. A copy of tax-exempt certification(s) will be provided to the successful proposer upon request. This provision supersedes any language pertaining to payment of taxes that may appear elsewhere in this solicitation.

6.30 Attorney Fees

In the event Trinity Metro deems it necessary to take legal action to enforce any provision of the contract, and Trinity Metro prevails, Contractor shall pay all expenses of such action including Trinity Metro's attorney fees and costs at all stages of the litigation.

6.31 Ineligible Contractors and Subcontractors

Any entity, firm, partnership, or person appearing upon the Comptroller General's list of ineligible contractors for federally-assisted contracts shall be ineligible to act as a subcontractor for Contractor under this Contract. If Contractor is on the Comptroller General's list of ineligible contractors for federally financed or assisted construction, the recipient shall cancel, terminate or suspend this Contract.

6.32 Indemnification

A. Notwithstanding anything contained in the Contract to the contrary and to the fullest extent permitted by applicable law, Contractor shall indemnify, protect, defend and hold harmless Trinity Metro, its consultants, Trinity Railway Express, and their respective representatives, officers, directors, shareholders, partners, Board Members, members, managers, employees, affiliates, assignees, agents and contractors (other than Contractor and its Subcontractors and Suppliers) (collectively, the "Indemnitees") from and against all claims, liabilities, damages, losses, injuries to person or property, death, liens, investigations, causes of action, administrative proceedings, suits, judgments, fees (including, but not limited to, attorneys' fees and expert fees), and expenses, of any nature, kind or description, directly or indirectly, arising out of, caused by, resulting from, or sustained or incurred in connection with (in whole or in part), (1) the Work performed hereunder, or any part thereof, (2) Contractor's failure to comply with the Contract, (3) the

use, occupancy or presence of Contractor, its Subcontractors, Suppliers, employees or agents on or about the Work Site, or (4) any act or omission of Contractor, any Subcontractor, any Supplier, anyone directly or indirectly employed by any of the foregoing, or anyone that any of the foregoing control or exercise control over ("Indemnity Claims"), but not to the extent caused by any negligent act or omission solely attributable to Trinity Metro or anyone directly or indirectly employed by Trinity Metro.

B. Notwithstanding anything contained in the Contract to the contrary and to the fullest extent permitted by all applicable laws, Contractor shall be solely liable for and shall indemnify, protect, defend and hold harmless the Indemnitees from and against all Indemnity Claims of any nature, kind or description, directly or indirectly, arising out of or resulting from bodily injury to, or sickness, disease or death of, any employee, agent or representative of Contractor or any of its Subcontractors, Supplier or any other person, directly or indirectly employed by any of the foregoing, or anyone that any of the foregoing control or exercise control over regardless of fault or negligence by an Indemnitee ("Employee Claims"). THE OBLIGATIONS OF CONTRACTOR UNDER THIS INDEMNIFICATION SHALL APPLY TO ALL EMPLOYEE CLAIMS, EVEN IF SUCH EMPLOYEE CLAIMS ARE CAUSED IN WHOLE OR PART BY THE SOLE, JOINT OR CONTRIBUTORY NEGLIGENCE OF AN INDEMNITEE, BUT NOT TO THE EXTENT CAUSED BY THE GROSS NEGLIGENCE, OR THE WILLFUL MISCONDUCT, OF AN INDEMNITEE. TO THE EXTENT IT MAY LAWFULLY DO SO, CONTRACTOR WILL NOT ASSERT, AS TO ANY CLAIM MADE BY TRINITY METRO UNDER THIS SECTION, ANY DEFENSE IT MAY HAVE UNDER TEXAS WORKERS' COMPENSATION STATUTE. NO COURT OR JURY FINDINGS IN ANY EMPLOYEE CLAIM PURSUANT TO ANY WORKERS' COMPENSATION ACT OR THE FEDERAL EMPLOYER'S LIABILITY ACT AGAINST A PARTY TO THIS AGREEMENT MAY BE RELIED UPON OR USED BY TRINITY METRO OR BY CONTRACTOR IN ANY ATTEMPT TO ASSERT LIABILITY AGAINST THE OTHER PARTY.

C. If any legal limitations now or hereafter in effect affect the validity or enforceability of the indemnification obligations under this article, such legal limitations are made a part of the indemnification obligation to the minimum extent necessary to bring the indemnification into conformity with the requirements of such limitations, and as so modified the indemnification obligations shall continue in full force and effect. The indemnification obligations under this Section shall not be limited to or by damages, compensation or benefits payable under insurance policies, workers' compensation acts, disability benefit acts or other employee benefits acts.

D. Trinity Metro has the right to appoint defense counsel, at its own expense, to associate in the defense of any contested claim. Trinity Metro will cooperate fully with Contractor in the defense of all claims. Trinity Metro's election to appoint defense counsel will not affect Contractor's obligation to indemnify and hold harmless Trinity Metro from and against all claims to the extent set forth in the Contract. When defending Trinity Metro against claims, Contractor will retain counsel experienced in defending such claims and mutually agreeable to both Trinity Metro and Contractor. Trinity Metro will not unreasonably withhold, condition, or delay its consent to Contractor's choice of counsel. Contractor will not settle any claims in a manner that would impose any expense, penalty, obligation, or limitation on Trinity Metro without Trinity Metro's prior written consent.

6.33 Applicable Law and Jurisdiction

The Contract, as well as the rights, obligations and remedies of the parties, shall be governed by the laws of the State of Texas. Whenever there is no applicable state statute or decisional precedent governing the interpretation of or disputes arising under or related to the Contract, then federal common law, including the law developed by federal boards of contract appeals, the United States Court of Federal Claims, the United States Claims Court, and the Comptroller General of the United States, shall govern. Any suit or action arising from the Contract shall be commenced and prosecuted in the courts of Tarrant County, Texas or the United States District Court for the Northern District of Texas, as applicable, and the parties agree to submit to the exclusive jurisdiction and venue of these courts.

6.34 Contract Order of Precedence

A. The General Provisions, Special Provisions, Scope of Work, Contract attachments and exhibits are essential to the Contract. All are intended to be complementary and to provide for completed work suitable for its intended use. A requirement occurring in one is as binding as though occurring in all. Where Plans and Specifications describe portions of the Work in general terms, but details are incomplete or silent, it is understood that only the best general practice is to prevail and that only new Materials and first-quality workmanship are to be used. Omissions of details of Work that are manifestly necessary to carry out the intent of the Contract, or that are customarily performed, shall not relieve Contractor from the obligation to perform such Work. Notes on Plans are part of the Plans. No reliance shall be placed on dimensions scaled from any Plans.

B. The documents referenced below are in descending order of precedence. Any conflict between any of the documents shall be resolved in favor of the document with higher precedence.

- Contract Form
- Federal Provisions
- Request for Proposal
- Proposal Response

C. Contractor shall immediately notify Trinity Metro, in writing, of any ambiguity or conflict within or between documents, any error, omission, lack of necessary detailed description, or a detail, which is a potential code violation, which is discovered in the Specifications or Plans and request clarification and direction. Trinity Metro will provide clarification and direction as required to fulfill the intent of the specifications. Proceeding without the required notification and request for clarification or instruction shall be at Contractor's risk.

Section 7 Federal Contract and Other Requirements

If (1) the consideration payable by Trinity Metro under the Contract shall be funded in whole or in part by federal funds, or (2) if goods or services under the Contract are components of or otherwise pertain to a project funded in whole or in part by federal funds, or (3) in all other cases required by applicable law, the provision of this Section 7 shall apply and are part of the Contract.

7.1 No Obligation by the Federal Government.

1. The Purchaser and Contractor acknowledge and agree that, notwithstanding any concurrence by the Federal Government in or approval of the solicitation or award of the underlying contract, absent the express written consent by the Federal Government, the Federal Government is not a party to this contract and shall not be subject to any obligations or liabilities to the Purchaser, Contractor, or any other party (whether or not a party to that contract) pertaining to any matter resulting from the underlying contract.

2. The Contractor agrees to include the above clause in each subcontract financed in whole or in part with Federal assistance provided by FTA. It is further agreed that the clause shall not be modified, except to identify the subcontractor who will be subject to its provisions.

7.2 Program Fraud and False or Fraudulent Statements or Related Acts.

1. The Contractor acknowledges that the provisions of the Program Fraud Civil Remedies Act of 1986, as amended, 31 U.S.C. § § 3801 et seq and U.S. DOT regulations, "Program Fraud Civil Remedies," 49 C.F.R. Part 31, apply to its actions pertaining to this Project. Upon execution of the underlying contract, the Contractor certifies or affirms the truthfulness and accuracy of any statement it has made, it makes, it may make, or causes to be made, pertaining to the underlying contract or the FTA assisted project for which this contract work is being performed. In addition to other penalties that may be applicable, the Contractor further acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986 on the Contractor to the extent the Federal Government deems appropriate.

2. The Contractor also acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification to the Federal Government under a contract connected with a project that is financed in whole or in part with Federal assistance originally awarded by FTA under the authority of 49 U.S.C. § 5307, the Government reserves the right to impose the penalties of 18 U.S.C. § 1001 and 49 U.S.C. § 5307(n)(1) on the Contractor, to the extent the Federal Government deems appropriate.

3. The Contractor agrees to include the above two clauses in each subcontract financed in whole or in part with Federal assistance provided by FTA. It is further agreed that the clauses shall not be modified, except to identify the subcontractor who will be subject to the provisions.

7.3 Access to Records.

1. Where the Purchaser is not a State but a local government and is the FTA Recipient or a subgrantee of the FTA Recipient in accordance with 49 C. F. R. 18.36(i), the Contractor agrees to provide the Purchaser, the FTA Administrator, the Comptroller General of the United States or any of their authorized representatives access to any books, documents, papers and records of the Contractor which are directly pertinent to this contract for the purposes of making audits, examinations, excerpts and transcriptions.

2. Contractor also agrees, pursuant to 49 C. F. R. 633.17 to provide the FTA Administrator or his authorized representatives including any PMO Contractor access to Contractor's records and construction sites pertaining to a major capital project, defined at 49 U.S.C. 5302(a)1, which is receiving federal financial assistance through the programs described at 49 U.S.C. 5307, 5309 or 5311.
3. Where the Purchaser is a State and is the FTA Recipient or a sub-grantee of the FTA Recipient in accordance with 49 C.F.R. 633.17, Contractor agrees to provide the Purchaser, the FTA Administrator or his authorized representatives, including any PMO Contractor, access to the Contractor's records and construction sites pertaining to a major capital project, defined at 49 U.S.C. 5302(a)1, which is receiving federal financial assistance through the programs described at 49 U.S.C. 5307, 5309 or 5311. By definition, a major capital project excludes contracts of less than the simplified acquisition threshold currently set at \$100,000.
4. Where the Purchaser enters into a negotiated contract for other than a small purchase or under the simplified acquisition threshold and is an institution of higher education, a hospital or other non-profit organization and is the FTA Recipient or a sub grantee of the FTA Recipient in accordance with 49 C.F.R. 19.48, Contractor agrees to provide the Purchaser, FTA Administrator, the Comptroller General of the United States or any of their duly authorized representatives with access to any books, documents, papers and record of the Contractor which are directly pertinent to this contract for the purposes of making audits, examinations, excerpts and transcriptions.
5. Where any Purchaser which is the FTA Recipient or a sub-grantee of the FTA Recipient in accordance with 49 U.S.C. 5325(a) enters into a contract for a capital project or improvement (defined at 49 U.S.C. 5302(a)1) through other than competitive bidding, the Contractor shall make available records related to the contract to the Purchaser, the Secretary of Transportation and the Comptroller General or any authorized officer or employee of any of them for the purposes of conducting an audit and inspection.
6. The Contractor agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed.
7. The Contractor agrees to maintain all books, records, accounts and reports required under this contract for a period of not less than three years after the date of termination or expiration of this contract, except in the event of litigation or settlement of claims arising from the performance of this contract, in which case Contractor agrees to maintain same until the Purchaser, the FTA Administrator, the Comptroller General, or any of their duly authorized representatives, have disposed of all such litigation, appeals, claims or exceptions related thereto. Reference 49 CFR 18.39(i)(11).

FTA does not require the inclusion of these requirements in subcontracts.

7.4 Federal Changes.

Federal Changes - Contractor shall at all times comply with all applicable FTA regulations, policies, procedures and directives, including without limitation those listed directly or by reference in the Master Agreement between Purchaser and FTA, as they may be amended or promulgated from time to time during the term of this contract. Contractor's failure to so comply shall constitute a material breach of this contract.

7.5 Termination Provisions.

1. Termination for Convenience Trinity Metro, by written notice, may terminate this contract, in whole or in part, when it is in the Government's interest. If this contract is terminated, the Recipient shall be liable only for payment under the payment provisions of this contract for services rendered before the effective date of termination.

2. Termination for Default If the Contractor fails to deliver supplies or to perform the services within the time specified in this contract or any extension or if the Contractor fails to comply with any other provisions of this contract, Trinity Metro may terminate this contract for default. Trinity Metro shall terminate by delivering to the Contractor a Notice of Termination specifying the nature of the default. The Contractor will only be paid the contract price for supplies delivered and accepted, or services performed in accordance with the manner or performance set forth in this contract.

If, after termination for failure to fulfill contract obligations, it is determined that the Contractor was not in default, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of Trinity Metro.

3. Opportunity to Cure Trinity Metro in its sole discretion may, in the case of a termination for breach or default, allow the Contractor 30 – 60 days in which to cure the defect. In such case, the notice of termination will state the time period in which cure is permitted and other appropriate conditions

If Contractor fails to remedy to Trinity Metro's satisfaction the breach or default of any of the terms, covenants, or conditions of this Contract within ten (10) days after receipt by Contractor of written notice from Trinity Metro setting forth the nature of said breach or default, Trinity Metro shall have the right to terminate the Contract without any further obligation to Contractor. Any such termination for default shall not in any way operate to preclude Trinity Metro from also pursuing all available remedies against Contractor and its sureties for said breach or default.

4. Waiver of Remedies for any Breach In the event that Trinity Metro elects to waive its remedies for any breach by Contractor of any covenant, term or condition of this Contract, such waiver by Trinity Metro shall not limit Trinity Metro's remedies for any succeeding breach of that or of any other term, covenant, or condition of this Contract.

7.6 Civil Rights (EEO, DBE, Title VI & ADA).

1. *Nondiscrimination* - In accordance with Title VI of the Civil Rights Act, as amended, 42 U.S.C. § 2000d, section 303 of the Age Discrimination Act of 1975, as amended, 42 U.S.C. § 6102, section 202 of the Americans with Disabilities Act of 1990, 42 U.S.C. § 12132, and Federal transit law at 49 U.S.C. § 5332, the Contractor agrees that it will not discriminate against any employee or applicant for employment because of race, color, creed, national origin, sex, age, or disability. In addition, the Contractor agrees to comply with applicable Federal implementing regulations and other implementing requirements FTA may issue.

2. DBE-This agreement is subject to the requirements of the U.S. Department of Transportation's regulations, 49 CFR part 23. The contractor agrees that it will not discriminate against any business owner because of the owner's race, color, national origin, or sex in connection with the award or performance of any management contract, subcontract, purchase or lease agreement, or other agreement covered by 49 CFR part 23.

The concessionaire or contractor agrees to include the above statements in any subsequent contract covered by 49 CFR part 23, that it enters and cause those businesses to similarly include the statements in further agreements.

Each contract you sign with a contractor (and each subcontract the prime contractor signs with a subcontractor) must include the following assurance: The contractor, sub recipient or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The contractor shall carry out applicable requirements of 49 CFR part 26 in the award and administration of DOT-assisted contracts. Failure by the contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as the recipient deems appropriate, which may include, but is not limited to:

- Withholding monthly progress payments;
- Assessing sanctions;
- Liquidated damages; and/or
- Disqualifying the contractor from future bidding as non-responsible.

3. *Equal Employment Opportunity* - The following equal employment opportunity requirements apply to the underlying contract:

a. *Race, Color, Creed, National Origin, Sex* - In accordance with Title VII of the Civil Rights Act, as amended, 42 U.S.C. § 2000e, and Federal transit laws at 49 U.S.C. § 5332, the Contractor agrees to comply with all applicable equal employment opportunity requirements of U.S. Department of Labor (U.S. DOL) regulations, 'Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor,' 41 C.F.R. Parts 60 *et seq* ., (which implement Executive Order No. 11246, 'Equal Employment Opportunity,' as amended by Executive Order No. 11375, 'Amending Executive Order 11246 Relating to Equal Employment Opportunity,' 42 U.S.C. § 2000e note), and with any applicable Federal statutes, executive orders, regulations, and Federal policies that may in the future affect construction activities undertaken in the course of the Project. The Contractor agrees to take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, creed, national origin, sex, or age. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. In addition, the Contractor agrees to comply with any implementing requirements FTA may issue.

b. *Age* - In accordance with section 4 of the Age Discrimination in Employment Act of 1967, as amended, 29 U.S.C. § § 623 and Federal transit law at 49 U.S.C. § 5332, the Contractor agrees to refrain from discrimination against present and prospective employees for reason of age. In addition, the Contractor agrees to comply with any implementing requirements FTA may issue.

c. *Disabilities* - In accordance with section 102 of the Americans with Disabilities Act, as amended, 42 U.S.C. § 12112, the Contractor agrees that it will comply with the requirements of U.S. Equal Employment Opportunity Commission, 'Regulations to Implement the Equal Employment Provisions of the Americans with Disabilities Act,' 29 C.F.R. Part 1630, pertaining to employment of persons with disabilities. In addition, the Contractor agrees to comply with any implementing

requirements FTA may issue.

4. The Contractor also agrees to include these requirements in each subcontract financed in whole or in part with Federal assistance provided by FTA, modified only if necessary to identify the affected parties.

7.8 Incorporation of FTA Terms.

Incorporation of Federal Transit Administration (FTA) Terms - The preceding provisions include, in part, certain Standard Terms and Conditions required by DOT, whether or not expressly set forth in the preceding contract provisions. All contractual provisions required by DOT, as set forth in [FTA Circular 4220.1G](#) are hereby incorporated by reference. Anything to the contrary herein notwithstanding, all FTA mandated terms shall be deemed to control in the event of a conflict with other provisions contained in this Agreement. The Contractor shall not perform any act, fail to perform any act, or refuse to comply with any FTA requests which would cause Trinity Metro to be in violation of the FTA terms and conditions.

7.9 Energy Conservation.

Energy Conservation - The contractor agrees to comply with mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act.

7.10 Suspension and Debarment

This contract is a covered transaction for purposes of 49 CFR Part 29. As such, the contractor is required to verify that none of the contractor, its principals, as defined at 49 CFR 29.995, or affiliates, as defined at 49 CFR 29.905, are excluded or disqualified as defined at 49 CFR 29.940 and 29.945.

The contractor is required to comply with 49 CFR 29, Subpart C and must include the requirement to comply with 49 CFR 29, Subpart C in any lower tier covered transaction it enters into.

By signing and submitting its bid or proposal, the bidder or proposer certifies as follows:

The certification in this clause is a material representation of fact relied upon by Trinity Metro. If it is later determined that the bidder or proposer knowingly rendered an erroneous certification, in addition to remedies available to Trinity Metro, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment. The bidder or proposer agrees to comply with the requirements of 49 CFR 29, Subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.

7.11 Disputes

Trinity Metro and the contractor will attempt to resolve disputes or disagreements promptly. In order to do so, Trinity Metro and the contractor will create an issue resolution ladder which will outline initial responsibility for discussion and resolution, as well as secondary and further responsibility.

If a dispute or disagreement cannot be resolved through discussions between Trinity Metro's representative and the contractor's representative as designated on the issue resolution ladder, the contractor's senior representative and Trinity Metro's senior representative, upon the request of either party, shall meet as soon as conveniently possible, but in no case later than ten (10)

days after such a request is made, to attempt to resolve such dispute or disagreement. Prior to any meetings between the senior representatives, Trinity Metro and the contractor shall exchange relevant information that will assist the parties in resolving their dispute or disagreement.

If after the meeting, the senior representatives determine that the dispute or disagreement cannot be resolved on terms satisfactory to both parties, the parties shall submit the dispute or disagreement to non-binding mediation. The mediation shall be conducted by a mutually agreeable impartial mediator, or if the parties cannot so agree, a mediator designated by the American Arbitration Association (“AAA”) pursuant to its Construction Industry Mediation Rules, or if the dispute or disagreement is not for a construction contract, those mediation rules most applicable to the type of contract. The mediation will be governed by and conducted pursuant to a mediation agreement negotiated by the parties or, if the parties cannot so agree, by procedures established by the mediator. The venue for any required mediation shall be Tarrant County, Texas unless otherwise agreed to by the parties.

[Any claims, disputes, or controversies between the parties which have not been resolved in accordance with the procedures set forth in subsections 8-104 (1)-(3) of the Trinity Metro Procurement Policy shall be decided by arbitration in accordance with the Construction Industry Arbitration Rules of the American Arbitration Association (AAA) then in effect, or if the dispute or disagreement is not for a construction contract, those mediation rules most applicable to the type of contract. If the matter or matters in dispute exceed \$1,000,000, then arbitration proceedings shall be held before three members of an arbitration panel selected pursuant to AAA Rules. The venue for any required arbitration shall be Tarrant County, Texas unless otherwise agreed to by the parties.]

Notwithstanding the procedures identified in subsections 8-104 (1)-(4) of the Trinity Metro Procurement Policy, then Trinity Metro shall have the general ability and authority, when negotiating the terms and conditions of any contract to be entered into with any entity, to negotiate for the inclusion of dispute resolution procedures in such contract. Such dispute resolution procedures may vary from contract to contract, provided that, at a minimum, the procedures require that a meeting of senior representatives, mediation, and/or formal alternative dispute resolution procedures be followed before any party may file suit against, or initiate an arbitration proceeding against, Trinity Metro for an alleged breach of contract claim.

7.11.1 Performance During Dispute - Unless otherwise directed by Trinity Metro, Contractor shall continue performance under this Contract while matters in dispute are being resolved.

7.12 Claims for Damages

Should either party to the Contract suffer injury or damage to person or property because of any act or omission of the party or of any of his employees, agents or others for whose acts he is legally liable, a claim for damages therefor shall be made in writing to such other party within a reasonable time after the first observance of such injury of damage.

7.13 Remedies

Unless this contract provides otherwise, all claims, counterclaims, disputes and other matters in question between Trinity Metro and the Contractor arising out of or relating to this agreement or its breach will be decided by arbitration if the parties mutually agree, or in a court of competent jurisdiction within the State of Texas.

7.14 Rights and Remedies

The duties and obligations imposed by the Contract Documents and the rights and remedies available thereunder shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law. No action or failure to act by Trinity Metro, Architect or Contractor shall constitute a waiver of any right or duty afforded any of them under the Contract, nor shall any such action or failure to act constitute an approval of or acquiescence in any breach thereunder, except as may be specifically agreed in writing.

1. Definitions for Purposes of the section

The term “days” refers to working days when Trinity Metro’s administrative offices are open for normal operations.

The term “interested party” means any person (a) who is an actual Proposer or prospective Proposer in the procurement involved, and (b) whose direct economic interest would be affected by the award of the contract or by a failure to award the contract.

Note – The Federal Transit Administration (FTA) will be notified by Trinity Metro of all formal, written protests, when FTA funds are involved.

2. Trinity Metro will hear and consider a bona fide protest regarding its procurement actions. It is anticipated that the majority of protests will be evaluated and finally decided by Trinity Metro. Accordingly, Trinity Metro intends to provide a thorough review of all bona fide protests. Trinity Metro’s primary concern, however, is the timely procurement of needed capital equipment, supplies or services. It does not intend to allow the filing of protests to unnecessarily delay the procurement process, especially if the protest involved is vexatious or frivolous in nature. Notwithstanding the availability of these protest procedures, any interested party is encouraged to exhaust all methods described in this section of resolving an issue before filing a formal protest with Trinity Metro. In its consideration of a protest, Trinity Metro reserves the right to give due consideration to the good faith efforts of the protestor to resolve the issue involved through informal methods.

3. Submission of Protest

Any interested party may file a protest with Trinity Metro on the basis that Trinity Metro has failed to comply with applicable Federal or State Regulations or with Trinity Metro’s procurement process. The protest shall be filed in accordance with the timing requirements set forth in subsection D. “Types of Protests and Timing” of this section, and shall include: The name, phone number, e-mail and address of the protestor.

The RFP and proposed contract number of the proposal. A statement of grounds for the protest, a statement as to what relief is requested, and in particular the Federal or State law or Trinity Metro process alleged to have been violated. This statement shall be accompanied by any supporting documentation the protesting party desires Trinity Metro to consider in making its decision.

Protest shall be submitted to:

Aya Ealy
Director of Procurement
Trinity Metro
801 Grove Street
Fort Worth, TX 76102
Email: Contractmgmt@ridetm.org

4. Types of Protests and Timing

The requirement for timely filing of protest with Trinity Metro will depend upon the type of protests involved. Trinity Metro will consider the following three types of protest by interested parties:

a. Protest regarding proposal

Any protest regarding the proposal shall be filed no later than five (5) business days before proposal due date. Any protest filed after that date regarding the proposal will not be considered by Trinity Metro. This type of protest would include any claim that the proposal contained exclusionary or discriminatory specification, any challenge to the basis of award, or any claim that the proposal documents or the proposal process violated applicable Federal or State law, or that Trinity Metro failed to follow its procurement process in the proposal.

b. Protests regarding Requirements and Responsiveness.

Any protest regarding the requirements and responsiveness of proposal by Trinity Metro shall be filed with Trinity Metro no later than five (5) business days after receipt of letter of notification of non-responsiveness. Any protest filed after such date regarding the requirements and responsiveness will not be considered by Trinity Metro.

This type of protest would include any challenge to determinations by Trinity Metro of the responsiveness of or the responsibility of a Proposer, or any claim that the requirements and responsiveness of proposal violated Federal or State law or Trinity Metro's procurement process.

c. Protest Regarding Receipt of Non-Award Notification

Any protest regarding the award of the contract shall be filed no later than five (5) business days after receipt of Non-Award Notification. Any protest regarding the award of the contract filed after that date will not be considered by Trinity Metro.

This type of protest will only be entertained by Trinity Metro if the protestor is able to demonstrate that the party awarded the contract fraudulently represented itself as a responsible Proposer of that Trinity Metro violated Federal or State regulations or its Procurement Process in the award of the contract.

5. Trinity Metro's Response

Trinity Metro will notify the protestor upon timely receipt of a protest and may, where appropriate, request additional information from the protestor. Trinity Metro may, at its discretion, meet with protestor to review the matters raised by the protest. Trinity Metro's consideration of the particular types of protests will, except as otherwise stated in subsection 2. "Decisions by Trinity Metro" of this section E. "Authority Response" proceed in accordance with the following provisions:

a. Types of Protests

i. Protest regarding proposal

Upon receipt of a timely filed protest regarding the proposal, Trinity Metro will postpone the opening until resolution of the protest. No additional proposals will be accepted during the period of postponement.

If the protest regarding the proposal involves a claim of unduly restrictive or exclusionary specifications, Trinity Metro will, in evaluation of the protest, consider both the specific need of Trinity Metro for the feature or item challenged and any effects on competition of including the specifications regarding that feature or item. If Trinity Metro determines that such feature or item was included in the specification in order to meet justified and valid transit needs of Trinity Metro, and was not unduly restrictive of competition or designed to exclude a particular competitor, then Trinity Metro will have grounds to deny the protest.

ii. Protest regarding requirement and responsiveness

Upon receipt of a timely filed protest regarding the requirements responsiveness, Trinity Metro will suspend its evaluation of all proposals submitted until resolution of the protest, if Trinity Metro determines that the protestor has established that there are reasonable doubts regarding the responsiveness of a proposal or the responsibility of a Proposer or regarding Trinity Metro's compliance with Federal or State Regulations or its procurement process.

iii. Protests after non-award notification

Upon receipt of a timely filed protest regarding the non-award notification Trinity Metro will not proceed with Contract, if necessary, until the resolution of the protest if Trinity Metro determines that the protestor has established a prima facie case that the Contract was awarded fraudulently or in violation of that Federal or State Regulations or Trinity Metro's procurement process.

b. Decisions by Trinity Metro

As indicated above, in most instances Trinity Metro will suspend the procurement process upon receipt of a bona fide protest. However, Trinity Metro reserves the right, notwithstanding the pendency of a protest, to proceed with the appropriate action in the procurement process or under the Contract in the following cases:

- i. Where the item to be procured is urgently required;
- ii. Where Trinity Metro determines that the protest was vexatious or frivolous; or
- iii. Where delivery or performance will be unduly delayed or other undue harm will occur, by failure to make the award promptly.

After reviewing the protest submitted under this section, Trinity Metro will issue a written decision of the basis of the information provided by the protestor, the results of any meetings with protestor, and Trinity Metro's own investigation. If the protest is upheld, Trinity Metro will take appropriate action to correct the procurement process and protect the rights of the protestor, including re-proposal, revised evaluation of proposal or Trinity Metro determinations, or termination of the contract. If the protest is denied, Trinity Metro will lift any suspension imposed and proceed with the procurement process.

7.16 Byrd Anti-Lobbying Amendment,

31 U.S.C. 1352, as amended by the Lobbying Disclosure Act of 1995, P.L. 104-65 [to be codified at 2 U.S.C. § 1601, et seq.] Contractors who apply or bid for an award of \$100,000 or more shall file the certification required (F8) by 49 CFR part 20, "New Restrictions on Lobbying." Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier shall also disclose the name of any registrant under the Lobbying Disclosure Act of 1995 who has made lobbying contacts on its behalf with non-Federal funds with respect to that Federal contract, grant or award covered by 31 U.S.C. 1352. Such disclosures are forwarded from tier to tier up to Trinity Metro.

7.17 Clean Air

1. The Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. §§ 7401 *et seq.* The Contractor agrees to report each violation to Trinity Metro and understands and agrees that Trinity Metro will, in turn, report each violation as required to assure notification to FTA and the appropriate EPA Regional Office.

2. The Contractor also agrees to include these requirements in each subcontract exceeding \$100,000 financed in whole or in part with Federal assistance provided by FTA.

7.18 Clean Water

1. The Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251 *et seq.* The Contractor agrees to report each violation to Trinity Metro and understands and agrees that Trinity Metro will, in turn, report each violation as required to assure notification to FTA and the appropriate EPA Regional Office.

2. The Contractor also agrees to include these requirements in each subcontract exceeding \$100,000 financed in whole or in part with Federal assistance provided by FTA.

7.19 Americans with Disabilities Act of 1990 (ADA)

The Contractor agrees to comply with the requirements of 49 U.S.C. § 5301(d) which expresses the federal policy that the elderly and persons with disabilities have the same right as other persons to use mass transportation service and facilities, and that special efforts shall be made in planning and designing those services and facilities to implement those policies. The Management Company also agrees to comply with all applicable requirements of section 504 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. § 794, which prohibits discrimination on the basis of handicaps, and with the Americans with Disabilities Act of 1990 (ADA), as amended, 42 U.S.C. §§ 12101 *et seq.*, which requires the provision of accessible facilities and services, and with the following federal regulations, including any amendments thereto:

1. U.S. DOT regulations, "Transportation Services for Individuals with Disabilities (ADA)," 49 C.F.R. Part 37;
2. U.S. DOT regulations, "Nondiscrimination on the Basis of Handicap in Programs and Activities Receiving or Benefiting from Federal Financial Assistance," 49 C.F.R. Part 27;

3. Joint U.S. Architectural and Transportation Barriers Compliance Board/U.S. DOT regulations, "Americans With Disabilities (ADA) Accessibility Specifications for Transportation Vehicles," 36 C.F.R. Part 1192 and 49 C.F.R. Part 38;
4. U.S. DOJ regulations, "Nondiscrimination on the Basis of Disability in State and Local Government Services," 28 C.F.R. Part 35;
5. U.S. DOJ regulations, "Nondiscrimination on the Basis of Disability by Public Accommodations and in Commercial Facilities," 28 C.F.R. Part 36;
6. U.S. GSA regulations, "Accommodations for the Physically Handicapped," 41 C.F.R. Subpart 101-19;
7. U.S. Equal Employment Opportunity Commission, "Regulations to Implement the Equal Employment Provisions of the Americans with Disabilities Act," 29 C.F.R. Part 1630;
8. U.S. Federal Communications Commission regulations, "Telecommunications Relay Services and Related Customer Premises Equipment for the Hearing and Speech Disabled," 47 C.F.R. Part 64, Subpart F; and
9. FTA regulations, "Transportation for Elderly and Handicapped Persons," 49 C.F.R. Part 609.

7.20 Equal Opportunity and Affirmative Action

1. Contractor shall comply fully with the requirements of Executive Order Numbers 11246 as amended, 11625, 11701, and 11758 relating to employment practices. If applicable, the provisions of 41 CFR 60-1.4, 60-250.4, and 60-741.4 are hereby incorporated by reference, and Contractor agrees to adhere to said regulations. In the performance of its services, Contractor shall not discriminate against any employee or applicant for employment because of race, creed, color, age, marital status, sex, or national origin.
2. Contractor/ Subcontractor Assurance. Trinity Metro agrees and assures that it will include the following assurance in each sub-agreement and third-party contract it signs with a Third-Party Contractor and agrees to obtain the agreement of each of its Third-Party Contractors, and Third-Party Subcontractors to include the following assurance in every sub agreement and third-party contract it signs:
 3. Contractor, and each Subcontractor must not discriminate based on race, color, national origin, or sex in the award and performance of any FTA or U.S. DOT-assisted sub-agreement, third party contract, and third-party subcontract, as applicable, and the administration of its DBE program or the requirements of 49 CFR Part 26;
 4. The Contractor, and each Subcontractor must take all necessary and reasonable steps under 49 CFR Part 26 to ensure nondiscrimination in the award and administration of U.S. DOT-assisted sub-agreements, third party contracts, and third-party subcontracts, as applicable;

5. Failure by the Contractors or Subcontractors to carry out the requirements of this subparagraph 12.e(4)(ii) is a material breach of this sub-agreement, third party contract, or third-party subcontract, as applicable; and

6. The following remedies, or such other remedy as Trinity Metro deems appropriate, include, but are not limited to, withholding monthly progress payments, assessing sanctions, liquidated damages, and/or disqualifying the Contractor, or Subcontractor from future bidding as non-responsible.

7.21 Veterans Preference

As provided by 49 U.S.C. § 5325(k), to the extent practicable, the Recipient agrees and assures that each of its Subrecipients:

- (1) Will give a hiring preference to veterans, as defined in 5 U.S.C § 2108, who have the skills and abilities required to perform construction work required under a third-party contract in connection with a Capital Project supported with federal assistance appropriated or made available for 49 U.S.C. chapter 53, and

Will not require an employer to give a preference to any veteran over any equally qualified applicant who is a member of any racial or ethnic minority, female, an individual with a disability, or a former employee.

7.22 Electronic and Information Technology

Trinity Metro agrees that reports or information it provides to or on behalf of the Federal Government will use electronic or information technology that complies with the accessibility requirements of:

- (1) Section 508 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. § 794d, and
- (2) U.S. ATBCB regulations, "Electronic and Information Technology Accessibility Standards," 36 C.F.R. part 1194.

7.23 Safe Operation of Motor Vehicles

1. Distracted Driving, Including Text Messaging While Driving.

a. Contractor and their subcontractors are encouraged to adopt and enforce workplace safety policies to decrease crashes caused by distracted drivers, including policies to ban text messaging while using an electronic device supplied by contractor, and driving a vehicle the driver owns or rents, a vehicle Contractor owns, leases, or rents, or a privately-owned vehicle when on official business in connection with the contract, or when performing any work for or on behalf of the contract;

b. Contractor agrees to conduct workplace safety initiatives in a manner commensurate with its size, such as establishing new rules and programs to prohibit text messaging while driving, re-evaluating the existing programs to prohibit text messaging while driving, and providing education, awareness, and other outreach to employees about the safety risks associated with texting while driving. Contractors are encouraged to include this provision in each subconsultant agreement.

2. Seat Belt Use.

Contractors and their subcontractors are encouraged to adopt and enforce on-the-job seat belt policies and programs for their employees when operating company-owned, rented, or personally owned vehicles.

7.24 Prohibition on certain telecommunications and video surveillance services or equipment.

1. In accordance with 2 CFR 200.216, Trinity Metro is prohibited from purchasing certain telecommunications and video surveillance services or equipment. As such, Contractor agrees not to purchase any telecommunications and/or video surveillance services or equipment produced by the companies listed below or any subsidiary or affiliate of such entities for this contract. Fort Worth Transportation Authority is prohibited from obligating or expending loan or grant funds to:

a. Procure or obtain;

b. Extend or renew a contract to procure or obtain; or

c. Enter into a contract (or extend or renew a contract) to procure or obtain equipment, services, or systems that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. As described in Public Law 115-232, section 889, covered telecommunications equipment is telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities).

(i) For the purpose of public safety, security of government facilities, physical security surveillance of critical infrastructure, and other national security purposes, video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities).

(ii) Telecommunications or video surveillance services provided by such entities or using such equipment.

(iii) Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of the National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of a covered foreign country.

3. In implementing the prohibition under Public Law 115-232, section 889, subsection (f), paragraph (1), heads of executive agencies administering loan, grant, or subsidy programs shall prioritize available funding and technical support to assist affected businesses, institutions and organizations as is reasonably necessary for those affected entities to transition from covered communications equipment and services, to procure replacement equipment and services, and to ensure that communications service to users and customers is sustained.

7.25 Domestic Preferences

In accordance with 2 CFR 200.322 (a) Trinity Metro should, to the greatest extent practicable and consistent with law, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this section must be included in all subawards, contracts, and purchase orders under Federal awards.

(b) For purposes of this section:

(1) “Produced in the United States” means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States.

(2) “Manufactured products” means items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.

(c) Federal agencies providing Federal financial assistance for infrastructure projects must implement the Buy America preferences set forth in [2 CFR part 184](#).

7.26 Procurement of Recovered Materials

In accordance with 2 CFR 200.323 (a), Trinity Metro is a State agency or agency of a political subdivision of a State and its contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act of 1976 as amended, [42 U.S.C. 6962](#). The requirements of Section 6002 include procuring only items designated in the guidelines of the Environmental Protection Agency (EPA) at [40 CFR part 247](#) that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

(b) The recipient or subrecipient should, to the greatest extent practicable and consistent with law, purchase, acquire, or use products and services that can be reused, refurbished, or recycled; contain recycled content, are biobased, or are energy and water efficient; and are sustainable. This may include purchasing compostable items and other products and services that reduce the use of single-use plastic products. See Executive Order 14057, section 101, Policy.

7.27 Special Notification Requirements for States.

(a) Types of Information. To the extent required under federal law, the State, as the Recipient, agrees to provide the following information about federal assistance awarded for its State Program, Project, or related activities: (1) The Identification of FTA as the federal agency providing the federal assistance for a State Program or Project; (2) The Catalog of Federal Domestic Assistance Number of the program from which the federal assistance for a State Program or Project is authorized; and (3) The amount of federal assistance FTA has provided for a State Program or Project. (b) Documents. The State agrees to provide the information required under this provision in the following documents: (1) applications for federal

assistance, (2) requests for Contracts or solicitations, (3) forms, (4) notifications, (5) press releases, and (6) other publications.

7.28 Davis- Bacon and Copeland Anti-Kickback Acts

49 U.S.C. § 5333(a)

40 U.S.C. §§ 3141 – 3148

29 C.F.R. part 5

18 U.S.C. § 874

29 C.F.R. part 3

Applicable to: Construction contracts over \$2000.

Background and Application

The Davis-Bacon and Copeland Acts are codified at 40 USC 3141, et seq. and 18 USC 874. The Acts apply to grantee construction contracts and subcontracts that “at least partly are financed by a loan or grant from the Federal Government.” 40 USC 3145(a), 29 CFR 5.2(h), 49 CFR 18.36(i)(5). The Acts apply to any construction contract over \$2,000. 40 USC 3142(a), 29 CFR 5.5(a). ‘Construction,’ for purposes of the Acts, includes “actual construction, alteration and/or repair, including painting and decorating.” 29 CFR 5.5(a). The requirements of both Acts are incorporated into a single clause (see 29 CFR 3.11) enumerated at 29 CFR 5.5(a) and reproduced below. The clause language is drawn directly from 29 CFR 5.5(a) and any deviation from the model clause below should be coordinated with counsel to ensure the Acts’ requirements are satisfied.

(1) Minimum wages - (i) All laborers and mechanics employed or working upon the site of the work (or under the United States Housing Act of 1937 or under the Housing Act of 1949 in the construction or development of the project), will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the

Copeland Act (29 CFR part 3)), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the contractor and such laborers and mechanics. Contributions made or costs reasonably anticipated for bona fide fringe benefits under section 1(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of paragraph (1)(iv) of this section; also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period. Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in 29 CFR Part 5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: Provided, that the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage

determination (including any additional classifications and wage rates conformed under paragraph (1)(ii) of this section) and the Davis-Bacon poster (WH-1321) shall be posted at all times by the contractor and its subcontractors at the site of the work in a prominent and accessible place where it can be easily seen by the workers.

(ii)(A) The contracting officer shall require that any class of laborers or mechanics, including helpers, which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. The contracting officer shall approve an additional classification and wage rate and fringe benefits therefore only when the following criteria have been met:

(3) Except with respect to helpers as defined as 29 CFR 5.2(n)(4), the work to be performed by the classification requested is not performed by a classification in the wage determination; and (2) The classification is utilized in the area by the construction industry; and (3) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination; and (4) With respect to helpers as defined in 29 CFR 5.2(n)(4), such a classification prevails in the area in which the work is performed.

(B) If the contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and the contracting officer agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by the contracting officer to the Administrator of the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, Washington, DC 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(C) In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and the contracting officer do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), the contracting officer shall refer the questions, including the views of all interested parties and the recommendation of the contracting officer, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(D) The wage rate (including fringe benefits where appropriate) determined pursuant to paragraphs (a)(1)(ii) (B) or (C) of this section, shall be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.

(iii) Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the contractor shall either pay the benefit as stated in the wage determination or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.

(iv) If the contractor does not make payments to a trustee or other third person, the contractor may consider as part of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program, Provided, That the

Secretary of Labor has found, upon the written request of the contractor, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the contractor to set aside in a separate account asset for the meeting of obligations under the plan or program.

(v)(A) The contracting officer shall require that any class of laborers or mechanics which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. The contracting officer shall approve an additional classification and wage rate and fringe benefits therefor only when the following criteria have been met:

(1) The work to be performed by the classification requested is not performed by a classification in the wage determination; and

(2) The classification is utilized in the area by the construction industry; and

(3) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

(B) If the contractor and the laborers and mechanics to be employed in the classification (if

known), or their representatives, and the contracting officer agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by the contracting officer to the Administrator of the Wage and Hour Division, Employment Standards Administration, Washington, DC 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(C) In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and the contracting officer do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), the contracting officer shall refer the questions, including the views of all interested parties and the recommendation of the contracting officer, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination with 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(D) The wage rate (including fringe benefits where appropriate) determined pursuant to

paragraphs (a)(1)(v) (B) or (C) of this section, shall be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.

(2) Withholding - FWTA shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from the contractor under this contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime contractor, so much of the accrued payments or advances as may be

considered necessary to pay laborers and mechanics, including apprentices, trainees, and helpers, employed by the contractor or any subcontractor the full amount of wages required by the contract. In the event of failure to pay any laborer or mechanic, including any apprentice, trainee, or helper, employed or working on the site of the work (or under the United States Housing Act of 1937 or under the Housing Act of 1949 in the construction or development of the project), all or part of the wages required by the contract, FWTA may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased.

(3) Payrolls and basic records - (i) Payrolls and basic records relating thereto shall be maintained by the contractor during the course of the work and preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work (or under the United States Housing Act of 1937, or under the Housing Act of 1949, in the construction or development of the project). Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in section 1(b)(2)(B) of the Davis-Bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid.

Whenever the Secretary of Labor has found under 29 CFR 5.5(a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in section 1(b)(2)(B) of the Davis-Bacon Act, the contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs.

(ii)(A) The contractor shall submit weekly for each week in which any contract work is performed a copy of all payrolls to FWTA for transmission to the Federal Transit Administration as requested. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under section 5.5(a)(3)(i) of Regulations, 29 CFR part 5. This information may be submitted in any form desired. Optional Form WH-347 is available for this purpose and may be purchased from the Superintendent of Documents (Federal Stock Number 029-005-00014-1), U.S. Government Printing Office, Washington, DC 20402. The prime contractor is responsible for the submission of copies of payrolls by all subcontractors.

(B) Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following:

(1) That the payroll for the payroll period contains the information required to be maintained under section 5.5(a)(3)(i) of Regulations, 29 CFR part 5 and that such information is correct and complete;

(2) That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in Regulations, 29 CFR part 3;

(3) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.

(C) The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the "Statement of Compliance" required by paragraph (a)(3)(ii)(B) of this section.

(D) The falsification of any of the above certifications may subject the contractor or subcontractor to civil or criminal prosecution under section 1001 of title 18 and section 231 of title 31 of the United States Code.

(iii) The contractor or subcontractor shall make the records required under paragraph (a)(3)(i) of this section available for inspection, copying, or transcription by authorized representatives of the Federal Transit Administration or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the contractor or subcontractor fails to submit the required records or to make them available, the Federal agency may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR 5.12.

(4) Apprentices and trainees - (i) Apprentices - Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Bureau of Apprenticeship and Training, or with a State Apprenticeship Agency recognized by the Bureau, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the Bureau of Apprenticeship and Training or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice. The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the contractor as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the contractor's or subcontractor's registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeymen hourly rate specified

in the applicable wage determination.

Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator of the Wage and Hour Division of the U.S. Department of Labor determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination. In the event the Bureau of Apprenticeship and Training, or a State Apprenticeship Agency recognized by the Bureau, withdraws approval of an apprenticeship program, the contractor will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(ii) Trainees - Except as provided in 29 CFR 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration.

The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate who is not registered and participating in a training plan approved by the Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In the event the Employment and Training Administration withdraws approval of a training program, the contractor will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(iii) Equal employment opportunity - The utilization of apprentices, trainees and journeymen under this part shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended, and 29 CFR part 30.

(5) Compliance with Copeland Act requirements - The contractor shall comply with the requirements of 29 CFR part 3, which are incorporated by reference in this contract.

(6) Subcontracts - The contractor or subcontractor shall insert in any subcontracts the clauses contained in 29 CFR 5.5(a)(1) through (10) and such other clauses as the Federal Transit Administration may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all the

contract clauses in 29 CFR 5.5.

(7) Contract termination: debarment - A breach of the contract clauses in 29 CFR 5.5 may be grounds for termination of the contract, and for debarment as a contractor and a subcontractor as provided in 29 CFR 5.12.

(8) Compliance with Davis-Bacon and Related Act requirements - All rulings and interpretations of the Davis-Bacon and Related Acts contained in 29 CFR parts 1, 3, and 5 are herein incorporated by reference in this contract.

(9) Disputes concerning labor standards - Disputes arising out of the labor standards provisions of this contract shall not be subject to the general disputes clause of this contract.

Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR parts 5, 6, and 7. Disputes within the meaning of this clause include disputes between the contractor (or any of its subcontractors) and the contracting agency, the U.S. Department of Labor, or the employees or their representatives.

(10) Certification of eligibility - (i) By entering into this contract, the contractor certifies that neither it (nor he or she) nor any person or firm who has an interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1). (ii) No part of this contract shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1). (iii) The penalty for making false statements is prescribed in the U.S. Criminal Code, 18 U.S.C.1001.

7.29 Contract Work Hours and Safety Standards Act

Where applicable, all contracts awarded by the non-federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. §§ 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. § 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer based on a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. § 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in 64 surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

7.30 Bonding

Construction – Special Requirements

The following Federal laws and regulations impose requirements that may affect FTA assisted construction projects:

(1) Bonding

FTA requires bonds for All construction contracts exceeding the simplified acquisition threshold must use bonds for financing unless FTA determines that other arrangements

adequately protect the Federal interest under 2 CFR 200.326. Otherwise, the minimum bonding requirements include:

(a) Bid Guarantee:

A bid guarantee equivalent to five percent (5%) of the bid price. The bid guarantee must consist of a firm commitment such as a bid bond, certified check, or other negotiable instrument accompanying a bid as assurance that the bidder will, upon acceptance of the bid, execute any required contractual documents within the specified timeframe.

(b) Performance Bond:

A performance bond on the contractor's part for one hundred percent (100%) of the contract price. A performance bond is a bond executed in connection with a contract to secure the fulfillment of all the contractor's requirements under a contract.

(c) Payment Bond:

A payment bond on the contractor's part for one hundred percent (100%) of the contract price. A payment bond is a bond executed in connection with a contract to assure payment as required by the law of all persons supplying labor and material in the execution of the work provided for under a contract. FTA, however, has determined that payment bonds in the following amounts are adequate to protect FTA's interest and will accept a local bonding policy that meets the following minimums:

1. Less Than \$1 Million:

Fifty percent (50%) of the contract price if the contract price is not more than \$1 million.

2. \$1 Million or More but Less than \$5 Million:

Forty percent of the contract price if the contract price is more than \$1 Million but not more than \$5 million; or

3. \$5 Million or More:

Two and one-half million dollars if the contract price is more than \$5 Million.

Section 9 Safety, Security and Emergency Requirements

Site visitors, to include contracted individuals providing services to Trinity Metro are required to comply with the following safety, security, and/or emergency guidelines:

- All providers will meet federal, state, and local regulatory guidelines related to safe practices and/or are related to safety in order to avoid hazards, potential hazards, and/or damage to Trinity Metro property.
 - Contractors and Vendors are responsible for their equipment and personnel.
- In the event of an emergency, site visitors shall follow emergency response best practices; each provider should have an emergency plan. As needed, Trinity Metro designee(s) may need to review an emergency plan for acceptance. This will depend on the area work is being conducted. Designated rallying points may be provided by Trinity Metro representatives, so please ask and include in any Job and/or Safety Briefings to be prepared in the event of an emergency evacuation.
- Contractor and vendor providers are required to notify a Trinity Metro representative, a.k.a. point of contact, after any emergency events. This may be the Procurement Department representative or designated project lead. Alternatively, Trinity Metro's Operations Radio Control Center, or Security Center shall be notified as is deemed necessary, when reporting security or safety-related events requiring Trinity Metro response. Site visitors conducting work on Trinity Metro property should know whom to notify prior to commencement of work on Trinity Metro property.
- Vendors, Contractors, and Sub-Contractors working within any Bus Lot, Train Station, and/or Transit Center are required to provide scope of work being performed to the appropriate Trinity Metro designee so details for coordinating with revenue service vehicles (trains, buses, cutaways, and vans) paths and schedules will not disrupt any transit service.
- Trespassing and/or unauthorized site work is prohibited. This is especially more significant whenever the need arises to be within 25 feet of any railroad track rail unless on public right away such as platforms or grade crossings. Roadway Worker Protection requirements per federal law (49 CFR Part 214) may require successful completion of training and authorized access. Any work within 25 feet of railroad track **REQUIRES** prior approval under the RWP requirements per 49 CFR Part 214. Disruptions to commuter passenger railroad operations is unacceptable and may be subject to federal fines.
- Depending on the nature of the work being performed, Trinity Metro may require submission of a safety plan, security plan, and/or emergency plan subject to review and acceptance by the Chief Safety Officer or Director of Security or other designee.
- In the event of any accident or incident resulting in injury to any individual or damage to any Trinity Metro property, a safety stand down may be required. Accordingly, when deemed necessary, corrective action and preventive measures(s) subject to approval or acceptance by the Chief Safety Officer or Director of Security or other designee may be required prior to resuming work on behalf of Trinity Metro or on Trinity Metro property.
- Larger scale projects and procurement of equipment may deem it necessary to comply with Safety and Security Certification Program requirements.
- Questions regarding safety, security, and/or emergency requirements may be directed to Trinity Metro's Procurement designee or lead Project Manager.

F3 – CONFLICT OF INTEREST ACKNOWLEDGMENT AND CERTIFICATION

1. Policy

In order to promote fairness and impartiality in Trinity Metro's procurement process, involvement in any decision making role in the solicitation, or in the awarding or administration of a resulting contract by any Related Person who might receive some Benefit is prohibited. "Related Person" is defined as any employee, officer, Executive Committee member, or agent of Trinity Metro. "Benefit" is defined as any direct or indirect pecuniary, financial, or other tangible advantage, gain, promotion, or interest growing out of or related in any manner to the solicitation or to a contract or subcontract growing out of the solicitation. Such involvement of any Related Person is also prohibited when a person bearing certain relationship to the Related Person ("Other Related Person") may receive a Benefit. Such "Other Related Person" is defined as any member of a Related Person's immediate family (a spouse, child, parent, brother or sister), a partner of any Related Person, or any person or organization which employs or is about to employ a Related Person or Other Related Person. If a Related Person or Other Related Person will or may so benefit, a prohibited conflict of interest may exist.

2. Disclosures

Your obligation, as a prospective contractor under this solicitation, is to disclose fully all information you have or may acquire which has to do with any such Benefit which may come to any Related Person or Other Related Person. In considering the possibility of the existence of such benefit, you also need to consider each person and firm you believe may be involved as a joint venturer, or subcontractor, or other similar role in carrying out and performing a contract with Trinity Metro pursuant to the solicitation. In other words, if you are aware of any business, financial, or other interest, or actual or potential employment relationship between any Related Person or any Other Related Person, on the one hand, and yourself or any other person or firm you believe may be involved in carrying out the contract to be awarded pursuant to this solicitation, on the other hand, you have an affirmative obligation to fully disclose that information to Trinity Metro. You are encouraged to contact the Director of Contract Administration and Procurement or Trinity Metro's General Council prior to the deadline for submitting your Response (defined as a proposal, Proposal or other response to this solicitation), make such disclosure, and request a ruling as to whether any prohibited conflict of interest does in fact exist.

In order for your Response to be considered RESPONSIVE to this solicitation, it is mandatory that you complete and execute the Acknowledgment and Certification below, and include with your Response, written disclosure of all information relative to any potential conflict of interest which may be known to you, and which you have not disclosed to Trinity Metro in writing prior to the submission of your Response.

**ACKNOWLEDGMENT AND CERTIFICATION
(Potential Contractor)**

The undersigned potential contractor of Trinity Metro hereby acknowledges receipt and understanding of the Conflict of Interest provisions set out above; and hereby certifies that, except as heretofore or herewith fully disclosed in writing, to the best of potential contractor's knowledge and belief, no such conflict exists, or is likely to exist in the future pertaining to this procurement should the contract be awarded to potential contractor; and potential contractor further hereby promises to promptly notify Trinity Metro in writing if such knowledge or belief changes in the future.

Note: Proposer shall make copies of the Conflict of Interest document and Acknowledgment and Certification form and provide same to each subcontractor Proposer recommends for the contract. Proposer is required to secure an acknowledgment and certification from each subcontractor Proposer recommends and submit such certification to Trinity Metro prior to a subcontractor beginning any work under this contract.

F4 – CERTIFICATION OF COMPLIANCE WITH RESTRICTIONS ON LOBBYING

I, _____ (Name of certifying official), the _____
 (Title or position of certifying official) of _____ (name of
 company), do hereby certify on behalf of said company to Trinity Metro that:

- (1) It will not use federal funds to support lobbying.
- (2) No federal funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
- (3) If any funds other than Federal funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with this Federal contract, grant loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
- (4) *All subcontractors and sub-recipients shall certify and disclose accordingly.*
 This certification is a material representation of fact upon which reliance is placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S.C. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

F8 – PROHIBITION OF CONTRACTS WITH COMPANIES BOYCOTTING ISRAEL
(This form must be completed and submitted with the Bid/Proposal)

House Bill 793, effective September 1, 2019, amended the Texas Government Code to add Chapter 2270, Prohibition of Contracts with Companies Boycotting Israel.

Effective September 1, 2019, a state agency and a political subdivision (which includes a transportation authority) may not enter a contract with a company for goods or services unless the contract contains a written verification from the company that; (i) it does not Boycott Israel; and (ii) will not Boycott Israel during the term of the contract.

“Boycott Israel” is defined to mean refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes.

“Company” is defined to mean a for-profit sole proprietorship, organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, or limited liability company, including a wholly owned subsidiary, majority-owned subsidiary, parent company, or affiliate of those entities or business associations that exists to make a profit.

I, _____ (Name of certifying official), the
_____ (Title or position of certifying official) of
_____ (name of company), do hereby verify on behalf of said
company to Trinity Metro that said company does not Boycott Israel and will not Boycott Israel
(as that term is defined in Texas Government Code Section 808.001) during the term of this
contract.

F9 – FEDERAL TAX LIABILITY AND RECENT FELONY CONVICTION CERTIFICATION

The Federal Transportation Administration’s (“FTA”) Master Agreement dated May 2, 2024 (the “Master Agreement”) defines a “Third-Party Participant” as:

“Each participant in the Recipient’s Project ... whose work under the Project is supported with FTA funding, eligible non-federal share dedicated to the Project, or is dedicated as an in-kind contribution eligible for non-federal share. A Third Party Participant may be a Subrecipient, Third Party Contractor, Third Party Subcontractor, Lessee, or Similar Participant in the Recipient’s Project (for example, a partner in a joint development venture).”

A person, partnership, or other entity that submits a bid or proposal under this procurement (a “Proposer”) is a prospective Third Party Participant as defined in the Master Agreement. The Master Agreement requires Trinity Metro to obtain the following certifications from each prospective Third Party Participant.

The Proposer signing this form below certifies the following:

- A) The Proposer does not have any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability; and
- B) The Proposer was not convicted of the felony criminal violation under any Federal law within the preceding 24 months.

Legal Name of Proposer: _____
 Signature: By: _____
 Print Title: _____

Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at <https://www.dol.gov/agencies/whd/government-contracts>.

Note: Executive Order 13658 generally applies to contracts subject to the Davis-Bacon Act that were awarded on or between January 1, 2015 and January 29, 2022, and that have not been renewed or extended on or after January 30, 2022. Executive Order 13658 does not apply to contracts subject only to the Davis-Bacon Related Acts regardless of when they were awarded.

If a contract is subject to Executive Order 13658, the contractor must pay all covered workers at least \$13.30 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on the contract in 2025. The applicable Executive Order minimum wage rate will be adjusted annually. Additional information on contractor requirements and worker protections under Executive Order 13658 is available at www.dol.gov/whd/govcontracts.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (iii)).

The body of each wage determination lists the classifications and wage rates that have been found to be prevailing for the type(s) of construction and geographic area covered by the wage determination. The classifications are listed in alphabetical order under rate identifiers indicating whether the particular rate is a union rate (current union negotiated rate), a survey rate, a weighted union average rate, a state adopted rate, or a supplemental classification rate.

Union Rate Identifiers

A four-letter identifier beginning with characters other than "SU", "UAVG", ?SA?, or ?SC? denotes that a union rate was prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2024. PLUM is an identifier of the union whose collectively bargained rate prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. The date, 07/01/2024 in the example, is the effective date of the most current negotiated rate.

Union prevailing wage rates are updated to reflect all changes

over time that are reported to WHD in the rates in the collective bargaining agreement (CBA) governing the classification.

Union Average Rate Identifiers

The UAVG identifier indicates that no single rate prevailed for those classifications, but that 100% of the data reported for the classifications reflected union rates. EXAMPLE: UAVG-OH-0010 01/01/2024. UAVG indicates that the rate is a weighted union average rate. OH indicates the State of Ohio. The next number, 0010 in the example, is an internal number used in producing the wage determination. The date, 01/01/2024 in the example, indicates the date the wage determination was updated to reflect the most current union average rate.

A UAVG rate will be updated once a year, usually in January, to reflect a weighted average of the current rates in the collective bargaining agreements on which the rate is based.

Survey Rate Identifiers

The "SU" identifier indicates that either a single non-union rate prevailed (as defined in 29 CFR 1.2) for this classification in the survey or that the rate was derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As a weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SUFL2022-007 6/27/2024. SU indicates the rate is a single non-union prevailing rate or a weighted average of survey data for that classification. FL indicates the State of Florida. 2022 is the year of the survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. The date, 6/27/2024 in the example, indicates the survey completion date for the classifications and rates under that identifier.

?SU? wage rates typically remain in effect until a new survey is conducted. However, the Wage and Hour Division (WHD) has the discretion to update such rates under 29 CFR 1.6(c)(1).

State Adopted Rate Identifiers

The ""SA"" identifier indicates that the classifications and prevailing wage rates set by a state (or local) government were adopted under 29 C.F.R 1.3(g)-(h). Example: SAME2023-007 01/03/2024. SA reflects that the rates are state adopted. ME refers to the State of Maine. 2023 is the year during which the state completed the survey on which the listed classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. The date, 01/03/2024 in the example, reflects the date on which the classifications and rates under the ?SA? identifier took effect under state law in the state from which the rates were adopted.

WAGE DETERMINATION APPEALS PROCESS

1) Has there been an initial decision in the matter? This can be:

- a) a survey underlying a wage determination
- b) an existing published wage determination
- c) an initial WHD letter setting forth a position on a wage determination matter
- d) an initial conformance (additional classification and rate) determination

On survey related matters, initial contact, including requests for summaries of surveys, should be directed to the WHD Branch of Wage Surveys. Requests can be submitted via email to davisbaconinfo@dol.gov or by mail to:

Regarding any other wage determination matter such as conformance decisions, requests for initial decisions should be directed to the WHD Branch of Construction Wage Determinations. Requests can be submitted via email to BCWD-Office@dol.gov or

by mail to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2) If an initial decision has been issued, then any interested party (those affected by the action) that disagrees with the decision can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Requests for review and reconsideration can be submitted via email to dba.reconsideration@dol.gov or by mail to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210.
