RFP documents can be downloaded from Trinity Metro's website and the Proposals can be submitted electronically on Bonfire or in hard copy to the address listed below.

<https://www.procuretm.org/procurements>

A person or firm submitting a proposal in response to this RFP is a "Proposer." A Proposer who enters into a Contract under this RFP is referred to as "Contractor." Sealed proposals must be delivered by the date and time outlined in the Schedule of Events in Section 2. Proposers shall submit one original, one copy, and all of the required Proposal documents. All Proposal documents shall be in a sealed package, addressed as shown below, bearing the Proposer's name and address and clearly marked as follows:

Trinity Metro
Attn: PROCUREMENT
801 Grove Street
Fort Worth, TX 76102
RFP 26-T018-Litigation Support – Medical Document Review & Cost Containment

Proposers can also submit proposals electronically using the Trinity Metro electronic bidding portal, Bonfire, at:

<https://ridetm.bonfirehub.com/portal/?tab=openOpportunities>

All proposals, electronic or hard copy, must be submitted by the date stated in the schedule of events. It is the sole responsibility of the Proposer to ensure timely delivery of the proposal. Trinity Metro will not be responsible for failure of service on the part of the U.S. Post Office, courier services, electronic difficulties, or any other form of delivery service chosen by Respondent.

Proposals arriving late for any reason will not be accepted.

3.2 For uniformity, all Proposers must submit information in the order and format requested in this RFP. Failure to do so may cause the proposal to be deemed nonresponsive to the RFP. Information requested in the RFP that the Proposer deems privileged and confidential, may be submitted in a separate envelope marked "Privileged and Confidential Information." Trinity Metro will use its best efforts to protect such information from disclosure to the extent allowable by law. There will be no release of information until (a) the selection process is complete and a Contract has been executed or (b) Trinity Metro has formally terminated this procurement.

3.3 Exceptions to Any Portion of the Solicitation Requirements

All exceptions, conditions, and limitations (collectively, "exceptions") taken to or imposed on the terms and conditions of the RFP (including, without limitation, any of its attachments or other parts of the RFP) shall be clearly identified and submitted with Proposer's proposal. Each exception shall specifically reference each paragraph(s) and/or specific part(s) of the RFP to which the exception is taken. Proposer shall provide rationale

in support of the exception and fully explain its impact, if any, on its performance of or obligations under the procurement.

Proposers are cautioned to limit exceptions. In Trinity Metro's sole and absolute judgment, exceptions may be determined to be so fundamental as to cause rejection of the proposal for not responding to the requirements of the RFP.

All exceptions will be considered during the evaluation process. Exceptions made after Contract award may result in proposal being rejected.

3.4 Basis for Contract Negotiation

A contract, if any, awarded under this RFP is defined herein as “the Contract” or “this Contract.” The terms, conditions, representations, warranties, and other provisions of this RFP will be incorporated into and will form the bulk of the Contract, except to the extent otherwise expressly confirmed in writing signed by Trinity Metro. Thus, this RFP and the Proposer's proposal shall be used as the basis for contract negotiation. The RFP does not commit Trinity Metro to procure or award any contract for the scope of work described herein.

3.5 Rejection and Selection of Proposals; Modification of the RFP

1. Trinity Metro reserves the right to reject any or all proposals.
2. If a Contract is awarded, the selection of the proposal and Proposer shall conform to the requirements of applicable law and shall, in Trinity Metro's sole discretion, be in the best interests of Trinity Metro.
3. Trinity Metro reserves the right to:
 - a. Amend, modify, or withdraw this RFP;
 - b. Revise any requirements under this RFP;
 - c. Require supplemental statements of information from any Proposer;
 - d. Extend the deadline for submission of responses hereto;
 - e. Negotiate or hold discussions with any Proposer to correct insufficient responses that do not completely conform to the instructions contained herein;
 - f. Waive any nonconformity with this RFP;
 - g. Cancel, in whole or in part, this RFP if Trinity Metro deems it is in its best interest to do so;
 - h. Request additional information or clarification of information provided in the proposal without changing the terms of the RFP; and
 - i. Waive any portion of the selection process in order to accelerate the negotiation of a Contract with a Proposer that meets the requirements under applicable law and this RFP for an award.

Trinity Metro may exercise the foregoing rights at any time without notice and without liability to any Proposer or any other party for expenses incurred in the preparation of proposals or otherwise. Proposals will be prepared at the sole cost and expense of the Proposer.

4. Nothing stated at any time, by any representative of Trinity Metro, will effect a change in, or constitute an addition to, this RFP unless confirmed in writing through an Addenda issued by Trinity Metro to this RFP.

5. The Proposer agrees to keep confidential its response and any information received from Trinity Metro.
6. All information submitted in response to the RFP shall become the property of Trinity Metro, and as such, may be subject to public review as public records.
7. Proposer acknowledges and agrees that Trinity Metro will not be liable for any costs, expenses, losses, damages (including damages for loss of anticipated profit), or liabilities incurred by the Proposer or any member thereof as a result of, or arising out of its submitting a proposal, negotiating changes to such proposal, or Trinity Metro's acceptance or non-acceptance of the proposal.
8. Trinity Metro shall control the release of all public information concerning the procurement under this RFP, including selection announcements and Contract awards. Those desiring to release information to the public must receive prior written approval from an authorized representative of Trinity Metro.
9. Neither Trinity Metro nor any of its officers, agents, consultants, or employees shall be responsible for the accuracy of any information provided as part of this RFP (including appendices). All Proposers are encouraged to independently verify the accuracy of any information provided. The use of this information in the preparation of a proposal is at the sole risk of the Proposer.
10. The Proposer shall not collude in any manner or engage in any practices with any other Proposer(s), which may restrict or eliminate competition or otherwise restrain trade. Violation of this instruction will cause Trinity Metro to reject the Proposer's submittal. This prohibition is not intended to preclude joint ventures or subcontracts.
11. All proposals must be the original work product of the Proposer. The copying, paraphrasing, or other use of substantial portions of the work product of another Proposer is not permitted. Failure to adhere to this instruction will cause Trinity Metro to reject the proposal. The successful Proposer will be required to enter into Contract by signature on separate Contract documents, which will be prepared by Trinity Metro from information in the RFP and the successful Proposer's proposal.
12. In accordance with Article 8-103 of Trinity Metro's Procurement Policy, "All protests relating to advertising of solicitation notices, alleged improprieties or ambiguities in solicitation documents, deadlines, bid openings or awards, and all other solicitation, bid or award-related procedures or actions must be made in writing and submitted to the President/CEO, or designee, within ten (10) business days of (1) the bid opening for a construction contract or (2) date of award for other types of contracts."

3.6 Response to Communications and Request for Clarification

It is the responsibility of the proposer to examine the entire RFP package and seek clarification of any scope of work, specification item, requirement, or any other matter that it finds unclear. Furthermore, the Proposer must check the proposal for accuracy before submission. All requests for clarifications or changes shall be submitted in writing in time to be received in accordance with the Schedule of Events outlined in Section 2.

Trinity Metro will not respond to oral requests. Only written requests for questions and/or clarifications, will be acceptable (email and/or email attachments will be accepted). All questions and/or clarifications requests shall be sent to the attention as identified below. Only written responses from Trinity Metro in the form of addenda to this RFP shall be official, and all other forms of communication with any officer, employee or agent of Trinity Metro shall not be binding.

All questions and/or clarifications and/or request for a change to any of the specifications shall be fully supported with technical data, test results, or other pertinent information evidencing that the exception will result in a condition equal to or better than that required by the RFP, without substantial increase in cost or time requirements. Any responses to such written requests shall be provided by Trinity Metro in the form of an addendum.

All questions or request for clarifications regarding the services required shall be submitted in writing and/or email (no phone inquiries will be accepted) and addressed to:

Lashelle Robinson, Sr. Contract Administrator

This RFP has been posted on Trinity Metro's website and Trinity Metro's electronic bidding portal, Bonfire, for your convenience. Any attachments, addendums, clarifications or further instructions to Proposers, whether as a result of questions raised by Proposers or matters initiated by Trinity Metro will also be posted when issued. It is the Proposer's responsibility to ensure that the entire RFP package, in its latest version, is reviewed prior to submittal of a proposal.

3.8 Contract Award

Trinity Metro reserves the right for any reason or no stated reason to postpone, accept, or reject any and/or all proposals, to waive any irregularities in proposals received, and award the Contract(s) in accordance with applicable law and this RFP. Trinity Metro reserves the right to make multiple awards.

Trinity Metro shall consider all elements entering into the determination of the responsiveness of the proposal and the responsibility of the Proposer. Any proposal which is incomplete, conditional, obscure, or which contains additions not called for or irregularities of any kind, may be cause for rejection of the Proposal.

The Contract may be awarded within 90 calendar days from the date upon which proposals were received or such other date as is specified in the Schedule of Events above in this RFP. No award shall be made for a proposal Trinity Metro determines to be non-responsive or to a Proposer Trinity Metro determines to be not responsible.

If a single proposal is received, Trinity Metro will conduct a price and/or cost analysis of the proposal. A price analysis is the process of examining and evaluating a price submitted without examining in detail the separate cost elements and the profit included in the cost proposal. A price analysis through comparison to other similar procurements shall be based upon an established or competitive price of the elements used in the comparison. The comparison shall be made to a purchase of similar quantity and involving similar specifications. Where a difference exists, a detailed analysis shall be made of this difference and costs associated thereto. Trinity Metro has the right to enter into a negotiated procurement should only a single proposal be received.

Where it is impossible to obtain a valid price analysis, it may be necessary for Trinity Metro to conduct a cost analysis of the proposal price.

3.9 Non-Collusion Affidavit

Proposer shall submit, with its proposal, an affidavit stating that neither Proposer nor its agents, nor any other party on its behalf, has paid or agreed to pay, directly or indirectly, any person, firm, or corporation, any money or valuable consideration for assistance in procuring or attempting to procure the Contract that may result from this RFP, and further agrees that no such money or consideration will be hereafter paid. This affidavit shall be on the form provided by Trinity Metro, which is made a part of this RFP.

3.10 Proposer's Texas Government Code Certifications

Pursuant to the provisions of the Texas Government Code cited below, Proposer represents, warrants, and affirms the following, and Proposer covenants that if circumstances relevant to any of the following change during the term of a contract that may be awarded to Proposer under this RFP, Proposer will promptly notify Trinity Metro of such change.

1. **Sec. 2252.152.** Proposer is not engaged in business with Iran, Sudan, or a foreign terrorist organization, as prohibited by Section 2252.152 of the Texas Government Code, and Proposer is not identified on the list created by the Texas Comptroller of Public Accounts as a company known to have contracts with or provide supplies or services to Iran, Sudan, or a foreign terrorist organization.
2. **Sec. 2271.002.** Either (a) Proposer does not and will not for the duration of the Contract boycott Israel or (b) the verification required by Section 2271.002 of the Texas Government Code does not apply to this procurement.
3. **Chapter 2274.** Either (a) Proposer does not and will not for the duration of the Contract, have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association or (b) the verification required by Section 2274.002 of the Texas Government Code does not apply to this procurement.
4. **Section 2276.002.** Either (a) Proposer does not and will not for the duration of the Contract boycott energy companies or (b) the verification required by Section 2276.002 of the Texas Government Code does not apply to this Agreement.
5. **Section 2252.908** If Section 2252.908 of the Texas Government Code applies to this procurement, and if Proposer is awarded a Contract, Proposer will submit to Trinity Metro a Certificate of Interested Parties (Form 1295) before the execution of the Contract. Refer

to the information at the Texas Ethics Commission's website for instructions on registering and completing Form 1295.

3.11 Force Majeure

1. Definition: An Event of Force Majeure is defined as acts of God; earthquake, unusually severe weather, flood and any other natural disaster; civil disturbance, strikes and labor disputes; fires and explosions; war and other hostilities; embargo; or failure of third parties, including suppliers or subcontractors, to perform their obligations to the Contractor due to a force majeure event described above.
2. Economic hardship, changes in market conditions, or insufficient funds do not constitute an Event of Force Majeure, and an Event of Force Majeure does not excuse an obligation to make a payment required under this Contract.
3. If Contractor cannot perform some of its obligations due to an Event of Force Majeure, it must nevertheless continuously and diligently carry out and complete all of its obligations not prevented by the Event of Force Majeure.
4. Notice of Delay. If Contractor is delayed in the performance of the Services due to an Event of Force Majeure or otherwise, Contractor must in a prompt manner upon receiving knowledge of such delay give written notice thereof to Trinity Metro and furnish Trinity Metro information concerning the cause of the delay and its approximate anticipated length and demonstrating, if applicable, that the delay is due to an Event of Force Majeure.
5. Sole Relief. If an Event of Force Majeure occurs, provided Contractor has complied with all applicable notice requirements regarding a request for relief under this section, Contractor is excused from performance of its obligations under this Contract, but only for the time and to the extent that such performance is actually prevented by the Event of Force Majeure. When Contractor is able to resume performance of its obligations, it shall immediately give Trinity Metro written notice to that effect and promptly resume performance under this Contract. The relief offered by this Force Majeure provision is the exclusive remedy available to Contractor with respect to an Event of Force Majeure, and no claim for damages shall be made by either party for delays resulting from an Event of Force Majeure.
6. Continuing Delays. Trinity Metro may terminate this Contract if: (a) Contractor's failure to perform under this Contract due to an Event of Force Majeure impairs the material benefits of this Contract to Trinity Metro; and (b) Contractor does not resume performance in accordance with this Contract within ten (10) business days following Trinity Metro's giving notice to Contractor of Trinity Metro's intent to terminate this Contract.

The sum total points scored on both qualifications and price will be considered in award of a contract. Following this initial evaluation, the Evaluation Committee may make a recommendation to the Board of Director(s) concerning award of contract without further discussion with Proposers. The top rated Proposers may be asked to make an oral presentation to the evaluation team for the purpose of further clarification and evaluation of their proposals.
3. Oral presentations, if required, shall be conducted to solicit information to enable the Evaluation Committee to evaluate the capability of the applicable Proposer regarding the desired goods and/or services. If a Proposer has special concerns about information which it desires to make available to Trinity Metro but which it believes constitutes a trade secret, proprietary information or other information excepted from disclosure, it shall identify those portions of its proposal by clearly and prominently marking it "**CONFIDENTIAL.**" The basis of the claim of confidentiality shall be stated in the proposal adjacent to the marked information. Blanket statements regarding the confidentiality of information may not be sufficient to protect the confidentiality of information submitted. To satisfy the contract requirements, Proposer shall adhere to the price and other terms accepted by Trinity Metro.
3. Notwithstanding the foregoing, no portions of the proposal that conflict with, limit, impair, or otherwise diminish the benefits afforded to Trinity Metro under this RFP shall be deemed incorporated into the Contract only if such provisions are expressly approved by Trinity Metro in writing.

Trinity Metro may require a pre-award audit, and potential Proposers shall be prepared to submit data relevant to the proposed work which will allow Trinity Metro to sufficiently determine that the proposed price is fair, reasonable, and in accordance with Federal, State, and local regulations. Procurements resulting in a single proposal will be treated as a negotiated procurement and Trinity Metro reserves the right to negotiate with the single Proposer to achieve a fair and reasonable price. If both parties cannot agree upon a negotiated price, Trinity Metro reserves the right to reject the single proposal.

All Contract change orders or modifications will be subject to a cost analysis.

6.16 Pricing

The price quoted in any proposal submitted shall include all necessary cost to complete the services in accordance with the specifications. Anything omitted from such specifications, which are clearly necessary, shall be considered a portion of such cost although not directly specified or called for in the specifications. It shall be a breach of ethical standards for any payment, gratuity or offer of employment to be made by or on behalf of a subcontractor under a contract to the prime contractor or higher tier subcontractor or a person associated therewith, as an inducement for the award of a subcontract or order. Breach of the provisions of this paragraph is, in addition to a breach of this contract, a breach of ethical standards which may result in civil or criminal sanction and/or debarment or suspension from being a contractor or subcontractor under Trinity Metro contracts.

This provision supersedes any language pertaining to payment of taxes that may appear elsewhere in this solicitation.

6.30 Attorney Fees

In the event Trinity Metro deems it necessary to take legal action to enforce any provision of the contract, and Trinity Metro prevails, Contractor shall pay all expenses of such action including Trinity Metro's attorney fees and costs at all stages of the litigation.

6.31 Ineligible Contractors and Subcontractors

Any entity, firm, partnership, or person appearing upon the Comptroller General's list of ineligible contractors for federally-assisted contracts shall be ineligible to act as a subcontractor for Contractor under this Contract. If Contractor is on the Comptroller General's list of ineligible contractors for federally financed or assisted construction, the recipient shall cancel, terminate or suspend this Contract.

6.32 Indemnification

A. Notwithstanding anything contained in the Contract to the contrary and to the fullest extent permitted by applicable law, Contractor shall indemnify, protect, defend and hold harmless Trinity Metro, its consultants, Trinity Railway Express, and their respective representatives, officers, directors, shareholders, partners, Board Members, members, managers, employees, affiliates, assignees, agents and contractors (other than Contractor and its Subcontractors and Suppliers) (collectively, the "Indemnitees") from and against all claims, liabilities, damages, losses, injuries to person or property, death, liens, investigations, causes of action, administrative proceedings, suits, judgments, fees (including, but not limited to, attorneys' fees and expert fees), and expenses, of any nature, kind or description, directly or indirectly, arising out of, caused by, resulting from, or sustained or incurred in connection with (in whole or in part), (1) the Work performed hereunder, or any part thereof, (2) Contractor's failure to comply with the Contract, (3) the use, occupancy or presence of Contractor, its Subcontractors, Suppliers, employees or agents on or about the Work Site, or (4) any act or omission of Contractor, any Subcontractor, any Supplier, anyone directly or indirectly employed by any of the foregoing, or anyone that any of the foregoing control or exercise control over ("Indemnity Claims"), but not to the extent caused by any negligent act or omission solely attributable to Trinity Metro or anyone directly or indirectly employed by Trinity Metro.

B. Notwithstanding anything contained in the Contract to the contrary and to the fullest extent permitted by all applicable laws, Contractor shall be solely liable for and shall indemnify, protect, defend and hold harmless the Indemnitees from and against all Indemnity Claims of any nature, kind or description, directly or indirectly, arising out of or resulting from bodily injury to, or sickness, disease or death of, any employee, agent or representative of Contractor or any of its Subcontractors, Supplier or any other person, directly or indirectly employed by any of the foregoing, or anyone that any of the foregoing control or exercise control over regardless of fault or negligence by an Indemnatee ("Employee Claims"). THE OBLIGATIONS OF CONTRACTOR UNDER THIS INDEMNIFICATION SHALL APPLY TO ALL EMPLOYEE CLAIMS, EVEN IF SUCH EMPLOYEE CLAIMS ARE CAUSED IN WHOLE OR PART BY THE SOLE, JOINT OR CONTRIBUTORY NEGLIGENCE OF AN INDEMNITEE, BUT NOT TO THE EXTENT CAUSED BY THE GROSS NEGLIGENCE, OR THE WILLFUL MISCONDUCT, OF AN INDEMNITEE. TO THE EXTENT IT MAY LAWFULLY DO SO, CONTRACTOR WILL NOT ASSERT, AS TO ANY CLAIM MADE BY TRINITY METRO UNDER THIS SECTION, ANY DEFENSE IT MAY HAVE UNDER TEXAS WORKERS' COMPENSATION STATUTE. NO COURT OR JURY FINDINGS IN ANY EMPLOYEE CLAIM PURSUANT TO ANY WORKERS' COMPENSATION ACT OR THE FEDERAL EMPLOYER'S LIABILITY ACT AGAINST A PARTY TO THIS AGREEMENT MAY BE RELIED UPON OR USED BY TRINITY METRO OR BY CONTRACTOR IN ANY ATTEMPT TO ASSERT LIABILITY AGAINST THE OTHER PARTY.

C. If any legal limitations now or hereafter in effect affect the validity or enforceability of the indemnification obligations under this article, such legal limitations are made a part of the indemnification obligation to the minimum extent necessary to bring the indemnification into conformity with the requirements of such limitations, and as so modified the indemnification obligations shall continue in full force and effect. The indemnification obligations under this Section shall not be limited to or by damages, compensation or benefits payable under insurance policies, workers' compensation acts, disability benefit acts or other employee benefits acts.

D. Trinity Metro has the right to appoint defense counsel, at its own expense, to associate in the defense of any contested claim. Trinity Metro will cooperate fully with Contractor in the defense of all claims. Trinity Metro's election to appoint defense counsel will not affect Contractor's obligation to indemnify and hold harmless Trinity Metro from and against all claims to the extent set forth in the Contract. When defending Trinity Metro against claims, Contractor will retain counsel experienced in defending such claims and mutually agreeable to both Trinity Metro and Contractor. Trinity Metro will not unreasonably withhold, condition, or delay its consent to Contractor's choice of counsel. Contractor will not settle any claims in a manner that would impose any expense, penalty, obligation, or limitation on Trinity Metro without Trinity Metro's prior written consent.

6.33 Applicable Law and Jurisdiction

The Contract, as well as the rights, obligations and remedies of the parties, shall be governed by the laws of the State of Texas. Whenever there is no applicable state statute or decisional precedent governing the interpretation of or disputes arising under or related to the Contract, then federal common law, including the law developed by federal boards of contract appeals, the United States Court of Federal Claims, the United States Claims

Court, and the Comptroller General of the United States, shall govern. Any suit or action arising from the Contract shall be commenced and prosecuted in the courts of Tarrant County, Texas or the United States District Court for the Northern District of Texas, as applicable, and the parties agree to submit to the exclusive jurisdiction and venue of these courts.

6.34 Contract Order of Precedence

A. The General Provisions, Special Provisions, Scope of Work, Contract attachments and exhibits are essential to the Contract. All are intended to be complementary and to provide for completed work suitable for its intended use. A requirement occurring in one is as binding as though occurring in all. Where Plans and Specifications describe portions of the Work in general terms, but details are incomplete or silent, it is understood that only the best general practice is to prevail and that only new Materials and first-quality workmanship are to be used. Omissions of details of Work that are manifestly necessary to carry out the intent of the Contract, or that are customarily performed, shall not relieve Contractor from the obligation to perform such Work. Notes on Plans are part of the Plans. No reliance shall be placed on dimensions scaled from any Plans.

B. The documents referenced below are in descending order of precedence. Any conflict between any of the documents shall be resolved in favor of the document with higher precedence.

C. Contractor shall immediately notify Trinity Metro, in writing, of any ambiguity or conflict within or between documents, any error, omission, lack of necessary detailed description, or a detail, which is a potential code violation, which is discovered in the Specifications or Plans and request clarification and direction. Trinity Metro will provide clarification and direction as required to fulfill the intent of the specifications. Proceeding without the required notification and request for clarification or instruction shall be at Contractor's risk.

Part 31, apply to its actions pertaining to this Project. Upon execution of the underlying contract, the Contractor certifies or affirms the truthfulness and accuracy of any statement it has made, it makes, it may make, or causes to be made, pertaining to the underlying contract or the FTA assisted project for which this contract work is being performed. In addition to other penalties that may be applicable, the Contractor further acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986 on the Contractor to the extent the Federal Government deems appropriate.

2. The Contractor also acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification to the Federal Government under a contract connected with a project that is financed in whole or in part with Federal assistance originally awarded by FTA under the authority of 49 U.S.C. § 5307, the Government reserves the right to impose the penalties of 18 U.S.C. § 1001 and 49 U.S.C. § 5307(n)(1) on the Contractor, to the extent the Federal Government deems appropriate.

By definition, a major capital project excludes contracts of less than the simplified acquisition threshold currently set at \$100,000.

4. Where the Purchaser enters into a negotiated contract for other than a small purchase or under the simplified acquisition threshold and is an institution of higher education, a hospital or other non-profit organization and is the FTA Recipient or a sub grantee of the FTA Recipient in accordance with 49 C.F.R. 19.48, Contractor agrees to provide the Purchaser, FTA Administrator, the Comptroller General of the United States or any of their duly authorized representatives with access to any books, documents, papers and record of the Contractor which are directly pertinent to this contract for the purposes of making audits, examinations, excerpts and transcriptions.

7. The Contractor agrees to maintain all books, records, accounts and reports required under this contract for a period of not less than three years after the date of termination or expiration of this contract, except in the event of litigation or settlement of claims arising from the performance of this contract, in which case Contractor agrees to maintain same until the Purchaser, the FTA Administrator, the Comptroller General, or any of their duly authorized representatives, have disposed of all such litigation, appeals, claims or exceptions related thereto. Contractor's failure to so comply shall constitute a material breach of this contract.

7.5 Termination Provisions.

1. Termination for Convenience Trinity Metro, by written notice, may terminate this contract, in whole or in part, when it is in the Government's interest. If this contract is terminated, the Recipient shall be liable only for payment under the payment provisions of this contract for services rendered before the effective date of termination.

2. Termination for Default If the Contractor fails to deliver supplies or to perform the services within the time specified in this contract or any extension or if the Contractor fails to comply with any other provisions of this contract, Trinity Metro may terminate this contract for default. Trinity Metro shall terminate by delivering to the Contractor a Notice of Termination specifying the nature of the default. The Contractor will only be paid the contract price for supplies delivered and accepted, or services performed in accordance with the manner or performance set forth in this contract.

If, after termination for failure to fulfill contract obligations, it is determined that the Contractor was not in default, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of Trinity Metro.

3. Opportunity to Cure Trinity Metro in its sole discretion may, in the case of a termination for breach or default, allow the Contractor 30 – 60 days in which to cure the defect. In such case, the notice of termination will state the time period in which cure is permitted and other appropriate conditions

If Contractor fails to remedy to Trinity Metro's satisfaction the breach or default of any of the terms, covenants, or conditions of this Contract within ten (10) days after receipt by Contractor of written notice from Trinity Metro setting forth the nature of said breach or default, Trinity Metro shall have the right to terminate the Contract without any further obligation to Contractor. Any such termination for default shall not in any way operate to preclude Trinity Metro from also pursuing all available remedies against Contractor and its sureties for said breach or default.

4. Waiver of Remedies for any Breach In the event that Trinity Metro elects to waive its remedies for any breach by Contractor of any covenant, term or condition of this Contract, such waiver by Trinity Metro shall not limit Trinity Metro's remedies for any succeeding breach of that or of any other term, covenant, or condition of this Contract.

The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.

7.10 Disputes

Trinity Metro and the contractor will attempt to resolve disputes or disagreements promptly. In order to do so, Trinity Metro and the contractor will create an issue resolution ladder which will outline initial responsibility for discussion and resolution, as well as secondary and further responsibility.

If a dispute or disagreement cannot be resolved through discussions between Trinity Metro's representative and the contractor's representative as designated on the issue resolution ladder, the contractor's senior representative and Trinity Metro's senior representative, upon the request of either party, shall meet as soon as conveniently possible, but in no case later than ten (10) days after such a request is made, to attempt to resolve such dispute or disagreement. Prior to any meetings between the senior representatives, Trinity Metro and the contractor shall exchange

relevant information that will assist the parties in resolving their dispute or disagreement.

If after the meeting, the senior representatives determine that the dispute or disagreement cannot be resolved on terms satisfactory to both parties, the parties shall submit the dispute or disagreement to non-binding mediation. The mediation shall be conducted by a mutually agreeable impartial mediator, or if the parties cannot so agree, a mediator designated by the American Arbitration Association (“AAA”) pursuant to its Construction Industry Mediation Rules, or if the dispute or disagreement is not for a construction contract, those mediation rules most applicable to the type of contract. The mediation will be governed by and conducted pursuant to a mediation agreement negotiated by the parties or, if the parties cannot so agree, by procedures established by the mediator. The venue for any required mediation shall be Tarrant County, Texas unless otherwise agreed to by the parties.

[Any claims, disputes, or controversies between the parties which have not been resolved in accordance with the procedures set forth in subsections 8-104 (1)-(3) of the Trinity Metro Procurement Policy shall be decided by arbitration in accordance with the Construction Industry Arbitration Rules of the American Arbitration Association (AAA) then in effect, or if the dispute or disagreement is not for a construction contract, those mediation rules most applicable to the type of contract. If the matter or matters in dispute exceed \$1,000,000, then arbitration proceedings shall be held before three members of an arbitration panel selected pursuant to AAA Rules. The venue for any required arbitration shall be Tarrant County, Texas unless otherwise agreed to by the parties.]

Notwithstanding the procedures identified in subsections 8-104 (1)-(4) of the Trinity Metro Procurement Policy, then Trinity Metro shall have the general ability and authority, when negotiating the terms and conditions of any contract to be entered into with any entity, to negotiate for the inclusion of dispute resolution procedures in such contract. Such dispute resolution procedures may vary from contract to contract, provided that, at a minimum, the procedures require that a meeting of senior representatives, mediation, and/or formal alternative dispute resolution procedures be followed before any party may file suit against, or initiate an arbitration proceeding against, Trinity Metro for an alleged breach of contract claim.

7.10.1 Performance During Dispute - Unless otherwise directed by Trinity Metro, Contractor shall continue performance under this Contract while matters in dispute are being resolved.

7.11 Claims for Damages

7.12 Remedies

7.13 Rights and Remedies

The duties and obligations imposed by the Contract Documents and the rights and remedies available thereunder shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law. No action or failure to act by Trinity Metro, Architect or Contractor shall constitute a waiver of any right or duty afforded any of them under the Contract, nor shall any such action or failure to act constitute an approval of or acquiescence in any breach thereunder, except as may be specifically agreed in writing.

1. Definitions for Purposes of the section

The term “days” refers to working days when Trinity Metro’s administrative offices are open for normal operations.

The term “interested party” means any person (a) who is an actual Proposer or prospective Proposer in the procurement involved, and (b) whose direct economic interest would be affected by the award of the contract or by a failure to award the contract.

Note – The Federal Transit Administration (FTA) will be notified by Trinity Metro of all formal, written protests, when FTA funds are involved.

2. Trinity Metro will hear and consider a bona fide protest regarding its procurement actions. It is anticipated that the majority of protests will be evaluated and finally decided by Trinity Metro. Accordingly, Trinity Metro intends to provide a thorough review of all bona fide protests. Trinity Metro’s primary concern, however, is the timely procurement of needed capital equipment, supplies or services. It does not intend to allow the filing of protests to unnecessarily delay the procurement process, especially if the protest involved is vexatious or frivolous in nature. Notwithstanding the availability of these protest procedures, any interested party is encouraged to exhaust all methods described in this section of resolving an issue before filing a formal protest with Trinity Metro. In its consideration of a protest, Trinity Metro reserves the right to give due consideration to the good faith efforts of the protestor to resolve the issue involved through informal methods.

3. Submission of Protest

Any interested party may file a protest with Trinity Metro on the basis that Trinity Metro has failed to comply with applicable Federal or State Regulations or with Trinity Metro’s procurement process. The protest shall be filed in accordance with the timing requirements set forth in subsection D. “Types of Protests and Timing” of this section, and shall include: The name, phone number, e-mail and address of the protestor.

The RFP and proposed contract number of the proposal. A statement of grounds for the protest, a statement as to what relief is requested, and in particular the Federal or State law or Trinity Metro process alleged to have been violated. This statement shall be accompanied by any supporting documentation the protesting party desires Trinity Metro to consider in making its decision.

Protest shall be submitted to:
Aya Ealy
Director of Procurement
Trinity Metro

801 Grove Street
Fort Worth, TX 76102
Email: Contractmgmt@ridetm.org

4. Types of Protests and Timing

The requirement for timely filing of protest with Trinity Metro will depend upon the type of protests involved. Trinity Metro will consider the following three types of protest by interested parties:

a. Protest regarding proposal

Any protest regarding the proposal shall be filed no later than five (5) business days before proposal due date. Any protest filed after that date regarding the proposal will not be considered by Trinity Metro. This type of protest would include any claim that the proposal contained exclusionary or discriminatory specification, any challenge to the basis of award, or any claim that the proposal documents or the proposal process violated applicable Federal or State law, or that Trinity Metro failed to follow its procurement process in the proposal.

b. Protests regarding Requirements and Responsiveness.

Any protest regarding the requirements and responsiveness of proposal by Trinity Metro shall be filed with Trinity Metro no later than ten (10) business days after receipt of letter of notification of non-responsiveness. Any protest filed after such date regarding the requirements and responsiveness will not be considered by Trinity Metro.

This type of protest would include any challenge to determinations by Trinity Metro of the responsiveness of or the responsibility of a Proposer, or any claim that the requirements and responsiveness of proposal violated Federal or State law or Trinity Metro's procurement process.

c. Protest Regarding Receipt of Non-Award Notification

Any protest regarding the award of the contract shall be filed no later than ten (10) business days after receipt of Non-Award Notification. Any protest regarding the award of the contract filed after that date will not be considered by Trinity Metro.

This type of protest will only be entertained by Trinity Metro if the protestor is able to demonstrate that the party awarded the contract fraudulently represented itself as a responsible Proposer of that Trinity Metro violated Federal or State regulations or its Procurement Process in the award of the contract.

5. Trinity Metro's Response

Trinity Metro will notify the protestor upon timely receipt of a protest and may, where appropriate, request additional information from the protestor. Trinity Metro may, at its discretion, meet with protestor to review the matters raised by the protest. Trinity Metro's consideration of the particular types of protests will, except as otherwise stated in subsection 2. "Decisions by Trinity Metro" of this section E. "Authority Response" proceed in accordance with the following provisions:

a. Types of Protests

i. Protest regarding proposal

Upon receipt of a timely filed protest regarding the proposal, Trinity Metro will postpone the opening until resolution of the protest. No additional proposals will be accepted during the period of postponement.

If the protest regarding the proposal involves a claim of unduly restrictive or exclusionary specifications, Trinity Metro will, in evaluation of the protest, consider both the specific need of Trinity Metro for the feature or item challenged and any effects on competition of including the specifications regarding that feature or item. If Trinity Metro determines that such feature or item was included in the specification in order to meet justified and valid transit needs of Trinity Metro, and was not unduly restrictive of competition or designed to exclude a particular competitor, then Trinity Metro will have grounds to deny the protest.

ii. Protest regarding requirement and responsiveness

Upon receipt of a timely filed protest regarding the requirements responsiveness, Trinity Metro will suspend its evaluation of all proposals submitted until resolution of the protest, if Trinity Metro determines that the protestor has established that there are reasonable doubts regarding the responsiveness of a proposal or the responsibility of a Proposer or regarding Trinity Metro's compliance with Federal or State Regulations or its procurement process.

iii. Protests after non-award notification

Upon receipt of a timely filed protest regarding the non-award notification Trinity Metro will not proceed with Contract, if necessary, until the resolution of the protest if Trinity Metro determines that the protestor has established a prima facie case that the Contract was awarded fraudulently or in violation of that Federal or State Regulations or Trinity Metro's procurement process.

b. Decisions by Trinity Metro

As indicated above, in most instances Trinity Metro will suspend the procurement process upon receipt of a bona fide protest. However, Trinity Metro reserves the right, notwithstanding the pendency of a protest, to proceed with the appropriate action in the procurement process or under the Contract in the following cases:

- i. Where the item to be procured is urgently required;
- ii. Where Trinity Metro determines that the protest was vexatious or frivolous; or
- iii. Where delivery or performance will be unduly delayed or other undue harm will occur, by failure to make the award promptly.

After reviewing the protest submitted under this section, Trinity Metro will issue a written decision of the basis of the information provided by the protestor, the results of any meetings with protestor, and Trinity Metro's own investigation. If the protest is upheld, Trinity Metro will take appropriate action to correct the procurement process and protect the rights of the protestor, including re-proposal, revised evaluation of proposal or Trinity Metro determinations, or termination of the contract. If the protest is denied, Trinity Metro will lift any suspension imposed and proceed with the procurement process.

- Contractors and Vendors are responsible for their equipment and personnel.
- In the event of an emergency, site visitors shall follow emergency response best practices; each provider should have an emergency plan. As needed, Trinity Metro designee(s) may need to review an emergency plan for acceptance. This will depend on the area work is being conducted. Designated rallying points may be provided by Trinity Metro representatives, so please ask and include in any Job and/or Safety Briefings to be prepared in the event of an emergency evacuation.
- Contractor and vendor providers are required to notify a Trinity Metro representative, a.k.a. point of contact, after any emergency events. This may be the Procurement Department representative or designated project lead.
